310 Appendix A

10
11 Amber was trafficked by an organized crime syndicate that began
12 trafficking her shortly before her 15th birthday.

13
14 A relative was involved in her trafficking she was then lost
15 in a bet to an organized crime syndicate and held in debt bondage
16 for several years being beaten, starved, tortured and made to work
17 from 11 am to 4 am in clubs all over the world. Amber had no
18 passport and no identification of her own the identification was
19 created and
20 held by the traffickers.

21
22
23
24 In or around 2001-2002

25
26 Upon arrival in Texas the first time. Michael L Goguen was
27 introduced to her he had a preexisting relationship with the club
28

1 and the traffickers. The club admits to having minors work in the
2 club.

3
4 This is illegal. Teenagers can not be Strippers nor can they
5 work in brothels. Waitresses and patrons have to be 21 years old to
6 be in bars. So how can 15 ,16 ,17 ,18 ,19 or 20 year old girls be
7 topless or nude in bars and be served alcohol?
8

9
10 Within 1 hour of Amber meeting Goguen a Sex trafficker by the
11 very definition, Goguen has thousands of girls and women
12 transported around the world for the purposes of rape, commercial
13 sex acts, sexual abuse and intentionally infects his slaves with
14 STDS. He has caused severe and irreparable injury to Ambers body
15 on multiple occasions. In 2009 or 2010 Amber confronted Goguen about
16 the HPV diagnosis she had recently received. There is no other
17 means by which Amber could have contracted this disease other than
18 Goguen he was having sex with hundreds of prostitutes without
19 condoms at that time unbeknownst to amber he promised that he had
20 never had any STDS in his life. He instructed her to set up two
21 companies so he could pay for her medical care in conjunction with
22 the Disease. Such diseases leads to Cervical cancer, vaginal
23 cancer, throat cancer in women. Goguen fully admits that he had
24 this disease since he was in collage and that he has been
25
26
27
28

1 undergoing treatment for the lesions on his penis including
2 Cryosurgery and excision.

3
4 Michael Goguen is a SEX TRAFFICKER. He uses the Romeo pimp
5 method to manipulate his victims He uses all of the same tactics
6 and a Romeo pimp he just does not earn money off of the
7 exploitation but he pays for his friends to violate his victims.
8 This is the Lover Boy Method. Girls who are trafficked feel
9 worthless. It's not easy to survive. So men convince them that they
10 are the only ones that will ever love them and that the trafficking
11 and abuse was all the victims fault.
12

13
14 They use tactics like we will deport you if you ever say
15 anything. They manipulate the victims families. Some victims of
16 these pimps work normal jobs during the day and they pimp them out
17 at any venue they can find at night. They typically impregnate
18 their victims and use the children as tools to force the victim to
19 remain complicit be threatening to hurt her children.
20

21
22 If Michael Goguen ever impregnated Amber and she could not obtain a
23 safe abortion she would hide the child deep inside of a foreign
24 country so Michael Goguen could not rape the child. He has forced
25 many of his victims to abort pregnancies he caused. He also has
26 dozens of children with victims of Michael Goguen Sex enterprise.
27
28

1 Rape victims should never be forced to give birth to a child that
2 is a product of a rape.

3 Some women choose to bring a child who is conceived of rape
4 into the world but how fair is it to the mother and the child. If
5 the can make the best of a horrible situation that is the only
6 saving grace.
7

8
9 Tragically Amber fell victim to all four of the most prolific types
10 of traffickers

11
12 Romeo Pimp

13 The Romeo pimp manipulates victims into compliance by using
14 affection, charm, and romantic affection (Winters et al., 2022). To
15 entrap their victim, Romeo pimps rely heavily on emotional
16 manipulation and future promises. (Duncan and DeHart, 2019). The
17 key point is that the trafficker presents himself as a trustworthy
18 individual to the victim. This is demonstrated by a 2010 study
19 conducted in Chicago, which discovered that the vast majority of
20 women described their trafficker as their boyfriend, with only a
21 few describing them as other friends or relatives (Duncan and
22 DeHart, 2019).
23

24
25 The grooming time is used by Romeo pimps to isolate the victim and
26 make them codependent, exposing the victim's vulnerabilities that
27 can be used against them for control. The relationship typically
28

1 takes a dark turn when the Romeo pimp asks the victim to dance in a
2 strip club or engage in prostitution in order to make money to
3 support their life together. At this point, the relationship
4 includes extreme psychological manipulation as well as the
5 possibility of physical violence, which is introduced to control
6 the victim. This type of trafficking is especially coercive because
7 the victim is trapped not only physically, but also emotionally.

9 Gorilla Pimp

10 A Gorilla pimp is the opposite of a Romeo in that no staged love or
11 affection is involved. Instead, women are recruited and trapped in
12 sex trafficking through routine violence. It is made clear that a
13 victim's job is to turn tricks on the street or dance in a club,
14 and failure to do so will result in severe consequences, usually
15 resulting in physical and sexual abuse (Kennedy et al., 2007). It
16 is not uncommon for a trafficker to begin as a Romeo pimp before
17 gradually shifting to gorilla tactics (Kennedy et al., 2007). There
18 is ample evidence in the sex trafficking literature that Gorilla
19 pimps are the most difficult to leave and provide the least agency
20 to victims of sex trafficking (Marcus et al., 2014).

24 CEO Pimp

25 On the other end of the spectrum, the CEO pimp promises victims
26 lucrative careers and legitimate income (Winters et al., 2022). The
27 CEO pimp runs things in an entrepreneurial manner, focusing on
28

1 profit and good business management, just like a legitimate
2 business. They see sexual exploitation as a business plan, with
3 victims serving as their products. They typically recruit their
4 victims by offering them a job, such as a modeling contract. This
5 relationship, like the previous types of traffickers, then descends
6 into sexual exploitation and abuse, even as the trafficker promotes
7 it as a life of luxury. This is referred to as trauma bonding, a
8 form of coercive control in which traffickers instill fear as well
9 as gratitude for being allowed to live (Litam, 2017).
10
11

12 Familial Trafficking

13 Many commercially exploited children in the United States have been
14 sexually abused in the home (Shared Hope International, 2020).
15 Statistics show that 27 percent of sex trafficking cases reported
16 to the United States' National Human Trafficking Hotline in 2018
17 were cases of familial trafficking (Polaris, 2019). As with all sex
18 trafficking cases, it is frequently misidentified as child abuse or
19 rape. The scant research on familial trafficking suggests a wide
20 prevalence range, ranging from 3% to 44% of child trafficking cases
21 (Allert, 2022). Unlike previous types of traffickers, children
22 exploited by family members may be abused at home but are still
23 driven to buyer locations and taken to parties and venues where
24 sexual abuse of children is a part of the experience (Allert,
25 2022). Children have a reasonable expectation of care, protection,
26
27
28

1 and security from their families, and a breach of these values can
2 have long-term consequences for mental health and future
3 relationships. The reality is that familial human trafficking is
4 all too common, and we must shatter the myth that relatives are
5 never involved in child trafficking.
6

7
8
9 After many many deleterious and malicious acts perpetrated against
10 Amber Goguen violently raped her in a hotel in London, England In
11 2012. He left the hotel and left her bleeding in the room alone
12 with no help. She only learned he had left the hotel room when his
13 driver asked the hotel staff to call the hotel room.
14

15 Amber sought medical help the best way she could in a foreign
16 country with no medical insurance and not knowing anybody other
17 than for a couple of hours in passing.
18

19
20 Amber had no idea the extent of the injury and went to several
21 clinics she was scared that if she told the police she could be
22 hurt or trafficked again. Amber went to see several gynecologists
23 and proctologists once a scope was done she was informed surgery
24 was necessary.
25
26
27
28

1 Amber told Goguen and his response was to send unsolicited money in
2 the amount of \$100,000.00 for the surgery Goguen never called or
3 asked if he could assist in any way. Because he is a rapist and a
4 psycho path. As long as he can pay for the damage he believes his
5 nefarious conduct is acceptable.
6

7 Goguen has forced many of his victims to abort pregnancies he has
8 caused.
9

10 In 2014 when Amber could no longer endure the abuse that Goguen
11 stated he would force her to endure as part of his harem for the
12 remainder of her life. Amber hired Rivers Morell to help her obtain
13 medical treatment and safety. Amber did not know lawyers she did
14 not think very much about what their exact duties were. She found
15 Rivers by looking for rape victims lawyers. Amber thought lawyers
16 were governed by the law of the land.
17
18
19

20 Amber had confronted Goguen again about the stalking and messages
21 received on her phone.
22
23

24 Goguen denied all of this because he is a psychopath.
25

26 Rivers Morell Drafted a letter and a draft complaint after meeting
27 Amber in a coffee shop for an hour. Amber did not know what the
28

1 California legal process was she did not know what mediation or
2 draft complaints or demand letters were. Rivers Morell Stated he
3 was an expert in Rape cases and helped many women.
4

5
6 Plaintiffs Lawyers especially of victims a crime can not be
7 manipulating and exploiting their clients.

8 I was told the lawyers are in control of me and the case. Later on
9 I was told that the lawyers are working at my direction that is
10 also improper trauma victims can not comprehend how to manage their
11 hellacious lawyers.
12

13
14 The plaintiffs are not lawyers that are victims of crimes. Ambers
15 case his is not a simple issue of slip and fall.

16
17 How is a rape victim with no legal experience supposed to be in
18 charge of Patricia Glaser who has been a lawyer for 50 years and
19 has an entire firm of lawyers and friends who are judges.
20

21
22 How is a victim of human trafficking supposed to know what
23 Patricia Glaser or any other lawyer is supposed to be doing. When I
24 went to a lawyer after Diane Doolittle did so many cruel inhuman
25 and illegal things I was so terrified I would not show the Personal
26 injury settlement agreement to the lawyers because I thought
27
28

1 showing a lawyer would be a breach. Goguen told me he and his law
2 firms we my lawyers.

3 Why would any person be paying a lawyer if they are supposed to
4 know everything the lawyer is supposed to be doing? This is more
5 abuse of process.
6

7
8 Rivers Morell told Amber that it was California law that he must
9 ask for mediation before filing a lawsuit. He never showed the
10 demand letter to Amber after a lawsuit was filed in 2016 by
11 Patricia Glaser Amber read the demand letter.
12

13
14 After Michael Goguen was served the letter Drafted by Rivers Morell
15 that Amber never seen that has not extortionate demands in nature
16 but merely a request for mediation nobody said they were calling
17 the police nobody sis they were going to kill Goguen.
18

19 Amber did not want to endure a criminal lawsuit and lose any more
20 years of peace and safety in her life.
21

22
23 Goguen contacted Amber calling up to 25 times per day asking her to
24 speak to him directly.

25 Amber pleaded with him to get Diane Doolittle and to go to
26 mediation. Goguen and his lawyers stated they could represent Amber
27 rote a promissory not and stated that she had to fire Rivers Morell
28

1 that he was a criminal that he was stalking her and that he would
2 steal all of her money. Amber did not know lawyers Amber does not
3 trust people.

4 Goguen called multiple times a day threatening her to fire the
5 lawyer or that she would receive zero medical treatment. Diane
6 Doolittle stated she was going to trap Rivers Morell and that she
7 would set him up to look like a criminal.
8

9
10 Michael Goguen said the agreement that they were writing was in
11 Ambers best interest and that she would forever be free of all
12 abuse and exploitation. Goguen said he wanted forgiveness for all
13 the rape abuse and disease.
14

15 Amber believes in forgiveness however this individual has a mental
16 illness and he has zero remorse for what he does to his victims.

17 Michael Goguen said he was removing all of his lawyers sneaking
18 legal wording from the Personal injury settlement agreement. Amber
19 does not know what provisions exactly that he removed.
20

21
22 Michael Goguen believes he can just pay and make every crime co
23 mmits be covered up by government authorities .
24
25
26
27
28

1 Anthony McCusker of Goodwin Procter and Diane Doolittle of Quinn
2 Emanuel and Wilson, Sonsini ,Goodrich and Rosati drafted letters
3 and messages for Amber to send to fire Rivers Morell.
4

5
6 Goguen stated he could act as Amber's lawyer in her best
7 interests because he was experienced educated and had teams of
8 lawyers. Michael Goguen has no license to practice law so that was
9 illegal amber found out later.
10

11
12 All of February, March, April and 23 days of May 2014 Michael
13 Goguen bullied threatened and manipulated Amber into signing the
14 contract that he and his lawyers wrote she had no legal advice.
15 Nine years after Amber was again promised her freedom from rape and
16 trafficking by Goguen. Amber is currently being trafficked and
17 stalked by all of Goguens lawyers agents and associates. This is
18 Malicious. Amber never agreed that 58 or more lawyers could
19 illegally profit of of Ambers rape, trafficking, homelessness for
20 nine years and counting
21
22

23
24 This is my own personal holocaust this is worse than the
25 transatlantic slave trade worse than Hitlers Nazi Germany, worse
26 than North Korea, Worse than Putins Russia, Stalins Russia and
27
28

1 Apartheid combined all wars combined. Girls and women are humans
2 this Male Supremacy needs to end.

3 I don't know of many women raping and trafficking children in most
4 cases its because the women themselves were raped and trafficked so
5 they did it to others.
6

7
8 Women are not born to being rapists, pedophiles and traffickers.
9 The only thing Amber asked was that Michael Goguen sign a pledge
10 that he would not harm any more girls and women sexually or
11 otherwise.
12

13
14 Men under no circumstances should be gynecologists there are
15 hundreds of sub specialties they do not need to be examining
16 women's vaginas all day everyday that is perverse. So many
17 gynecologists violate their patients. Even if they are not rapists
18 It is still strange men are not women I don't know why they are
19 pretending to know what happens in a woman's body. They don't, they
20 are merely guessing.
21
22

23
24 He insisted that Amber abandon her modest apartment her only home
25 upon the signing his personal injury settlement agreement because
26 he was erecting naked princess panty parlor in Los Angeles within
27 walking distance of Ambers apartment.
28

1 The store Which he named after Amber he has been referring to Amber
2 as naked princess for 22 years.

3
4 Amber complied with Michael Goguens demand and abandoned her home
5 and her life.
6

7 The agreement was signed at the Rosewood Sand Hill hotel a
8 destination of human trafficking.

9 There was a prostitution ring being run out of the jewelry store
10 in the lobby of the hotel.
11

12 Michael Goguen housed many of his sex slaves at the Rosewood Sand
13 Hill.

14 Goguen would come and go in full combat clothing and in between
15 meeting from his office at Sequoia Capital which paid for hotels
16 Food and transportation of Amber starting in 2002.
17

18
19 On May 14,2023 Sequoias notary came to the Rosewood Sand Hill and
20 notarized the Personal injury settlement agreement created by
21 Michael Goguen.
22

23 Quinn Emanuel LLP, Goodwin Procter LLP and Wilson Sonsini Goodrich
24 and Rosati LLP.

25 Amber was crying in the common area of the hotel while Goguen
26 groped her while waiting for Sequoias notary.
27
28

1 The Personal injury agreement was notarized in the Business center
2 of the hotel after the agreement was signed Michael Goguen went to
3 the room to rape Amber one last time to seal the deal and make sure
4 that she would comply and never speak of the abuse.
5

6
7 Amber did not understand that the agreement was a contract as she
8 is not a lawyer she is not a juris Doctor.
9

10
11 Amber is a victim of child sex trafficking she was forced to
12 dance in strip clubs and have photos taken as a minor in states of
13 undress. She has no legal education. The agreement is titled
14 personal injury settlement agreement not contract.
15

16
17 Amber asked Michael Goguen to start going to therapy to stop
18 abusing girls and women he promised to begin after the agreement
19 was signed. He set up weekly phone calls to speak with A even
20 though his agreement at Ambers request states no further contact as
21 she was very scared he would continue to stalk her or kill her.
22

23 Amber feels a very heavy burden that if she had told the police
24 sooner Michael Goguen would not have been able to rape all of these
25 girls and women and destroy so many human lives.
26
27
28

1 After Goguen raped Amber the last time on May 23, 2014 he continued
2 to call her and request more debasing sodomy which she sated could
3 never happen again do to the severe damage he caused in 2012.

4 Months passed by and Goguen was still call amber talking about sex
5 sodomy all of his marital problems with his concubine his daughters
6 drug addiction his other daughter issues and his sons
7 hospitalization for strep throat asking Amber to pray for them. She
8 has never met any of his children with multiple prostitutes all
9 over the country. the only wife who was Not a prostitute was Lynne
10 Isbicki
11
12

13
14 In December of 2014 Diane Doolittle sent Amber a message to Ambers
15 phone stating the agreement that they wrote was null and void as
16 procured by extortion. There was no extortion they are the ones who
17 wrote the agreement and forced Amber to fire her only lawyer a solo
18 practitioner.
19

20
21 Diane Doolittle said Amber could not Call Rivers Morell and tell
22 him what happened or he would sue her.
23

24
25 DIANE DOOLITTLE DID ALL OF THIS AFTER WAITING FOR THE CLOCK TO RUN
26 OUT ON AMBERS STATUTE OF LIMITATIONS TO BRING A CASE FOR BEING
27
28

1 RAPED. Diane Doolittle did not inform Amber of her statute of
2 limitations nor Did Michael Goguen.

3 Michael Goguen and Diane Doolittle did not inform Amber that if
4 GOGUEN breached the contract that they created Amber would lose her
5 right as a victim of sex crimes to file her case as Jane Doe to
6 protect her from further harm.
7

8
9 Patricia Glaser informed Amber that a breach of contract had to
10 be filed with a name AND NOT A PSEUDONYM.

11 Goguen Put in writing that the legally binding agreement would be
12 enforced in every court of law.
13

14
15 Michael Goguen never mentioned the word extortion nor did he
16 mention the word defamation nor did his lawyers. Goguen said the
17 agreement was so Amber could have safety, peace, happiness, medical
18 treatment, freedom from rape, stalking slavery and so that she
19 could go forth and help the cild victims in foster care still
20 trafficked or in orphanages. Prior to sex trafficking Amber was a
21 volunteer even as a small child. during sex trafficking Amber
22 participated in the food and toy drive every year. She would ask
23 all of her customers to come that weekend and bring toys and she
24 was allowed to charge any amount for the dances and sell items like
25 panties for any amount and all of the money was given to children
26
27
28

1 charities. Many girls hated it. Amber did not mind she was happy
2 about the money not going to the traffickers. The liquor sales
3 those days also went to children charities. Amber has no knowledge
4 of why the clubs do this. Likely a cover for the trafficking and
5 money laundering. After paying off her debt bondage
6
7 Amber still did not have the freedom to do anything she wanted in
8 her life. She began to ask women to allow her to come to classes
9 and various events. She donated her time to as many projects as
10 possible while studying. All the while still enduring Goguens
11 abuse. the abuse was now limited to only Goguen.
12

13
14 Rather than tell Amber to find secure and preserve evidence Diane
15 Doolittle instructed Amber in writing to destroy evidence. Diane
16 Doolittle stated Amber was a prostitute and that she should not
17 have money because Doolittle is ivy league educated and a former
18 prosecutor and she does not earn the amount of the settlement
19 agreement for her work. She sated that She knows Amber is not a
20 victim because she was a prosecutor. Amber was not a prostitute.
21 She was trafficked as a teenager to strip clubs by an organized
22 crime syndicate.
23

24
25 Goguen turned her into his personal prostitute in the harem after
26 she told him from day one that she was a virgin he would go to her
27 small apartment where she had an air mattress on the floor and
28

1 would Master-bate on her face after telling her she was not good
2 enough to be seen in public with.

3 He told her to refer to him as a king and an emperor and that he
4 would help her escape the traffickers and ho to medical school. He
5 then began just leaving any amount of money behind after
6 violating her. He never helped her escape from traffickers
7

8
9 Amber paid the debt after several years and never looked back none
10 of the traffickers had anyway of finding her or hurting her again.
11

12
13 After months of Diane Doolittle's terrorism and Goguens
14 manipulation and abuse Amber Hired Patricia Glaser. She trusted
15 Patricia Glaser implicitly. Amber is very upset and disappointed
16 that Patrica Glaser abandoned her case.
17

18 Amber never trusted any of the lawyers after she was put in a
19 position where she had to call hundreds of male lawyers and talk
20 about the facts and nature of the case every time damaging Ambers
21 mind more and more. Amber never wanted any of the lawyers she hired
22 after Patrica Glaser.
23

24 There was only one male lawyer Amber wanted to hire and He does
25 not want to deal with Diane Doolittle ever because she is a nasty
26 horrible unethical piece of work. She is a sorry excuse for a
27
28

1 women. Diane Doolittle has victimized many other rape victims not
2 just Amber.

3 I refuse to take Diane Doolittle's deposition I am finding a
4 volunteer lawyer to do it. She is never allowed to speak to me in
5 court or touch my dog who she made fun of and touched without
6 permission. Because she is an awful human being. Excuse me but what
7 did my dog do to Diane Doolittle or anybody else.
8

9
10 Amber is not calling any more men and talking to them about this
11 case and listening to their sexual harassment or their outrageous
12 opinions.
13

14
15 Willam Paoli is a racist and called amber a tar baby many times
16 when he screamed at her because he said he could not control her.
17 He was only covering the fact that he was stealing from her and
18 intentionally destroying her case while she was fighting the health
19 battle.
20

21
22 The lawyers at Glaser Weil were not honest with Amber about the
23 legal process. They stated that the only evidence to be submitted
24 at trial were the contract and the communications.
25

26 Diane Doolittle contacted Patricia Glaser and asked for another
27 chance to mediate prior to a lawsuit being filed Amber went to two
28

1 mediations where she was left in the mediation room alone with the
2 rapist for a great many hours.

3 The first mediation Amber agreed that Michael Goguen could pay less
4 if he stopped hurting her.
5

6
7 Goguen then said there was another stalker stalking Amber and
8 that Goguen would take Amber to the police to report the unnamed
9 stalker/hacker. And that Goguen would pay for a body guard that he
10 would control to be with Amber 24/7. Amber declined and asked
11 Goguen for the name of the alleged stalker. Goguen refused to
12 disclose his name. Amber learned over a year later that his name is
13 Brian Nash.
14

15
16 The second mediation Michael Goguen continued to sexually harass
17 Amber demand arbitration and treated amber with the idea that
18 Rivers Morell would sue Amber because they made her fire Rivers
19 Morell even though Amber had pleaded to go to mediation with Rivers
20 Morell, Diane Doolittle and Michael Goguen. Michael Goguen stated
21 he would take on all Liability of forcing Amber to Fire Rivers
22 Morell.
23
24

25
26 Nobody told Amber the discovery process, nobody told Amber what to
27 expect during litigation , nobody said the entire world was a
28

1 witness that every person Amber ever spoke to for 5 min would be
2 stalked and threatened. Victims do not have \$1200.00 per hour to
3 pay lawyers to help them stop Goguen from stalking them and
4 violating their rights of privacy and medical privacy.
5

6
7 When the complaint was filed in 2016 Patricia Glaser was in
8 Israel unbeknownst to Amber.

9 Amber had gone out of the country to visit a dying relative.
10 Michael Goguen tracks her every movement and had Amber put on a
11 terrorism list and looked her out of the United States. For some
12 reason Goguen And Diane Doolittle are of the belief they can
13 tamper with government proceedings and change Ambers nationality.
14 By right of Birth Amber is a dual citizen of the United States and
15 Canada
16

17 Amber has spent more of her life in the United States than Canada.
18 He Grandparents are US citizens and have always had US passports
19 her great grandparents and great great grandparents were US
20 citizens Amber's biological father upon information and belief is a
21 US citizen by birth.
22

23
24
25 Amber does not know all of her relations and has no desire to meet
26 them. Amber does not know why Michael Goguen and his agents are
27
28

1 tampering with Terrorism lists and US immigration the CIA the FBI
2 and the Police.

3
4 Canadian Citizens are allowed to live in the United States without
5 any type of visa, they have to only apply for a work visa if they
6 want to work.
7

8
9 Canadian's and US citizens can commute across the border frequently
10 and live in either country 6 months of the year. Amber does not
11 know why Michael Goguen is telling the government to prosecute
12 Amber for living in America.
13

14
15 This is just more of Goguens abuse he uses all of the same tacts to
16 abuse me as the traffickers did. He is a Romeo pimp a Romeo rapist
17 who repeatedly told me He was abusing me and keeping me in an
18 emotional cage because that is what he does when He loves
19 something.
20

21
22 Even though i am dehumanized i was never an inanimate object I have
23 always been a human being not a blow up doll. Amber is not a THING.
24

25
26 Michael Goguen went to Canada within weeks of Judge Chao's
27 illegal judgement Michael Goguen was within meters of Ambers
28

1 relatives and their small children. Michael Goguen is a very evil
2 human being. His only purpose in Canada is child sex tourism and
3 killing beautiful Grizzly bears and other endangered wild life for
4 sport.
5

6
7 At the second mediation after Michael Goguen began his diatribe
8 of abuse Amber splashed approximately 3 ounces of water on his face
9 in hopes of stopping him from continuing to abuse her. Amber was
10 under distress being in a room mediating the lawsuit with the
11 rapist.
12

13
14 Diane Doolittle in her very disturbed personality came upstairs
15 and photographed the water on his shirt as if he was injured.
16

17 Doolittle then told him to leave and ended the mediation.
18

19 Amber paid \$12,000.00 for each mediation where she tried to
20 resolve the issue with as little damage to her person as possible.
21 The mediator made a mediators proposal which Amber accepted.
22 Michael Goguen later accepted it.
23

24
25 Months passed and he did not sign the papers Diane Doolittle
26 stated it was too much that they agreed too.
27
28

1 Judge Wayne from Jams was the mediator. Amber is not mad at judge
2 Wayne. She did her best to deal with Goguen and Doolittle's
3 malice. She was very kind to Amber and spoke to her like a human
4 being.
5

6
7 There after a lawsuit was filed in May 2016 Goguen had been
8 stalking Amber for at least 4 years at that point. Amber never
9 seen Judge Wayne again.
10

11
12 Michael Goguen hired men to follow Amber and wait outside her
13 apartment follow her while walking the her dog follow her to the
14 gym follow her to do her volunteer work finally Amber moved to the
15 hotel and the men were constantly coming to the hotel to Stalk
16 Amber.
17

18 I do no know how many perverted men have been hired to follow me
19 hack met amber with my existence.
20

21
22
23 I no longer live I only exists because of Michael Goguens abuse.
24

25 During the Litigation process 18 months into litigation Goguen
26 sat down for his first deposition and committed perjury for days on
27 end.
28

1 Bruce Van Dalseun. Goguen instead the deposition had to be in
2 whitefish Montana for no legitimate reason HE and his lawyers made
3 San Mateo the jurisdiction. Everyone except Amber and Abhay Kholsa
4 travelled to Montana the deposition was in the Whitefish city hall
5 I don't know why.
6

7
8 Amber was only allowed to listen on speaker phone which Diane
9 Doolittle put on Mute most of the time and then Marked much of the
10 transcript Attorneys eyes only and refuses to give amber the
11 transcript or the video even though Amber is forced to represent
12 herself.
13

14 Bruce the other Bully from Quinn Emanuel who is dear friends with
15 Chris Reynolds the creepy Stalker who victimized me my friends and
16 relatives by stalking us relentlessly.
17

18
19 Bruces Wife Yvette Van Dalseum Is A California Judge she is also
20 friends with the stalker. Bruce Van Dalseum Whom Darcy calls Bruce
21 "Vander Shit" for stalking him at work and at his parents homes and
22 his friends offices people i have never even met. Doolittle alleges
23 that i would have told a 23 year old gay boy that I met in the
24 women's clothing section, where he worked at a store that I was
25 trafficked and raped days after I met him.
26
27
28

1 Amber only knew Darcy a boy smaller in stature than myself for a
2 few hours at the time of the rape after the rape I never seen him
3 again until October 2013 at least 15 months after the rape. He flew
4 to LA to see his boyfriend and Amber seen him for a few hours. At
5 the time of the rape Darcy was in the middle east with his
6 boyfriend. Diane Doolittle is willing to pervert the course of
7 justice in any and every way possible and the only way they could
8 have found out I met Darcy in a story was by hacking my phone or
9 hacking my phone records. I never had any social media until this
10 lawsuit in which Goguen hacked and locked me out of the accounts to
11 silence me.
12

13
14 After the first day of Goguen's deposition in Montana Bruce took
15 out a bike and fell off and broke his collar bone. That's what he
16 said. He left the hospital and came back to the deposition he said
17 he stopped taking the Oxycotin. Therefore Doolittle was the one
18 making "objects" and suborning the perjury. Goguen had 5 days of
19 deposition coaching in Vegas with multiple firms. He did not appear
20 for his deposition until nearly 18 months into the case Amber
21 appeared the month after the case was filed. I can only estimate
22 because I don't have all of the files.
23
24

25
26 During his perjured deposition Goguen stated he did not know if it
27 was possible to delete an email account he controlled the accounts
28

1 in which he communicated with Amber. He then lied and said the only
2 females "sex partners" were a short list yet its thousands. Quinn
3 Emanuel refuse to produce Michael lewis Goguens Deposition
4 transcript or video because they suborned his perjury.
5
6

7 Diane Doolittle called third parties to ask why Michael Goguen
8 was in her office with prostitutes wearing short skirts with no
9 bras and not panties. Why is there any dispute or question
10 lingering that Goguen rents prostitutes. He is a rapist a
11 trafficker a pedophile and a serial rapist and a murderer.
12
13

14 Goguen deleted them after the Subpoena was served for the contents
15 of the accounts.
16
17

18 Goguen left the deposition room after lying about having no
19 knowledge of how to delete an email account although he claims he
20 created the internet. He then returned and said he cleaned out all
21 emails in the account destroying all of the evidence that proved
22 there was no extortion. If Goguen was being extorted why didn't he
23 and his lawyers preserve the evidence of the "extortion"
24
25
26
27
28

1 Michael Goguen stated that He was the only one who did any work
2 at Sequoia capital and that he was stealing critical information
3 and was secretly planning to leave Sequoia. He even wrote about it.
4

5
6 I was not paying attention when he wrote and said those things I
7 only thought he was abusing and exploiting me I did not know he was
8 having sex with his friends wives and daughters.
9

10
11 I did not know that he was damaging his business partners.

12 I did not know what Sequoia capital did exactly i did not think
13 about it nor did I care. All i know was what Goguen said about his
14 meetings. Some times he would sign on to conference calls in the
15 hotel while nude rubbing himself.
16

17
18 Amber was not allowed to wear any clothing or underwear in the
19 room.
20

21 If he made any secret videos of him violating Ambers body Michael
22 Goguen needs to give them to myself and law enforcement and nobody
23 else can look at them. This is too painful.
24

25
26 Micheal Goguens Lawyers and Agents are not allowed to possess or
27 watch any videos of Amber being raped. There are already in
28

1 possession of child pornography of me in still images. Something
2 Judge Chao does not view as a crime.

3 Michael Goguen said that His business partner Named Michael was
4 very sick and that when he dies Michael Goguen would be taking over
5 Sequoia capital.
6

7
8 I do not remember what else he said about it at this time I have
9 had to read what emails he did not destroy to understand what he
10 was telling me. I don't know what secret information he took from
11 Sequoia. I don't know if his partners died.
12

13
14 The only thing I know is Sequoia paid for my transportation, food
15 and hotels where Michael Goguen raped me> They paid for the Notary.
16

17
18 Sequoia Capital read all of the communications between Diane
19 Doolittle Anthony Mcusker and Wilson, Sonsini Goodrich and Rosati.
20 Everything else they did is for proof at trial.
21

22
23 The agreement specifically stated that if Michael Goguen were to
24 materially breach the agreement the harm to Amber would be
25 Irreparable.
26

27
28 Now the damage to Amber is incompressible.

1
2 Michael Goguen threatened that if he could not remain a part of
3 Ambers life until the day she dies he would hire someone to follow
4 her everywhere she goes this is the only promise he has ever kept.
5

6
7 During the deposition he sated he has never hired a prostitute has
8 never had sex with teenagers and that Matthew Marshall Michael
9 Goguens head of Security knew nothing about Amber besides what he
10 seen in the news.
11

12 Yet Matthew Marshall States he has known about Amber since the
13 beginning and Goguen Paid him to hire men to stalk Amber and
14 Michael Goguen solicited Matthew Marshall first for Amber's murder.
15

16
17 Amber does not know why Mathew Marshall is in Jail for all of the
18 crimes Michael Goguen paid Matthew Marshall to commit. Amber has
19 never met Mathew Marshall.
20

21
22 Amber found out about him from another victim. Amber told Brian
23 Nash about Matthew Marshall and Brian Nash went to See Matthew
24 Marshall.
25

26
27 Brian Nash stole \$20,000 dollars from Amber to obtain the emails
28 that Michael Goguen destroyed so that Amber could present the

1 evidence in court. Amber believes he used the Money to buy his
2 second wife's wedding ring.

3
4 Brian Nash Extorted Amber. He demanded she Buy him a Mercedes
5 Motor home and that she give Brian Nash 2 million dollars for no
6 reason even though Brian Nash stated he is some type of investor
7 and that Sequoia Capital wanted Brian Nash to take on Michael
8 Goguens Position after they fired Michael Goguen for raping Amber.
9 Brian Nash says Goguen prevented Nash from working at Sequoia
10 decades ago and that Brian Nash's step father is friends with the
11 founders of Sequoia Capital. And something about Chris Skirakis a
12 founder at Google. I don't know. Brian showed Amber a video of
13 Chris Stalking him at the grocery store.
14
15
16
17

18 Brian Nash says he has a trust fund so Amber does not know why he
19 was extorting her. He has adult children. Amber had zero knowledge
20 of Brian Nash, Stephanie Nash or any of their lovers or associates
21 prior to September 2016. Nash contacted amber under alias justice
22 masses he contacted Patricia Glaser and Rivers Morell.

23
24 Amber has no idea why Goguen and Jamie Stephenson publicly state
25 Amber Brian and Matt all knew one another since the 2000s and
26 conspired against Goguen. Goguen is the common denominator in all
27
28

1 of these horrible situations that he created. Because he is a
2 Psychopath.

3
4 Sequoia Capital Has Been aware of Goguen Sex enterprise since
5 the 1990s if Sequoia Capital had done something about this Amber
6 would not have been raped, abused and trafficked by Michael Goguen.
7 Many other victims called Sequoia Capital and complained about
8 Michael Goguens abuse. One of his first victims boyfriends put a
9 live bomb threat on Sequoia Capital and Sequoia was evacuated and
10 they still rectified Goguen sex enterprise. They were co-
11 conspirators in Goguen sex enterprise. Goguen told Amber about
12 them. Amber is so used to the deleterious behavior of men she
13 didn't think much about his partners and what they were doing to
14 women.
15

16
17 Amber only heard of Brian Nash in the fall of 2016. Brian Nash
18 contacted Amber anonymously after Patricia Glaser abandoned Amber
19 and she was in Europe searching for medical records from years
20 before that she never had in her possession.
21

22
23 At least 60 people that have met Amber have been stalked and
24 trespassed upon by Michael Goguen's Agents hired by him, his staff
25 and his lawyers.
26
27
28

1 People have had to relocate from their homes. Goguen and his
2 agents have stalked elderly people dying in hospital some going
3 through cancer treatment at hospitals They have gone to the doors
4 of women who are single mothers who have told them yes there is an
5 organized crime syndicate that did this to her.
6

7
8 The stalkers are at peoples doors talking about my sexual
9 exploitation in from of peoples minor children that are part of my
10 life. Other people never know any of this took place i never spoke
11 about any of it to anyone it only hurts more. I just try to help
12 other girls and women save their lives and get to safety.
13

14
15 They victimized my all of my siblings elementary school aged
16 children and toddlers.
17

18 Nobody feels safe in their homes offices or cars. Amber Tried to
19 protect everyone from the crimes committed against her.
20

21 Some people came long after I paid my debt bondage and was in
22 hiding. They did not know of this or anything about Goguens abuse
23 they had never heard of him before.
24
25
26
27
28

1 The amount of damage done no money can ever repair I have not seen
2 my friends or family in over 5 years. As long as Amber is a target
3 nobody who loves me is safe.
4

5
6 The San Mateo judiciary forced me to disclose the name of the
7 organized crime syndicate and specific traffickers, witnesses
8 confirmed that it is true and some of the witnesses are front men
9 for the Gang, Goguens investigators went to the doorsteps of Pimps
10 and traffickers dangling money and Ambers photos and stated that
11 Amber has 40 million dollars. I do not know how much bribe money
12 has been paid by Goguen and Quinn Emanuel to witnesses.
13

14
15 I am now in danger 24 hours per day 7 days per week 365days per
16 year. The Syndicate will kill me to stop me from speaking about
17 their activities I went to the special victims units the detectives
18 state they know this is happening however the government makes it
19 nearly impossible to have them charged with human trafficking so
20 they try to arrest them on drug trafficking and murder.
21
22

23
24 I asked for witness protection if I cooperated and would testify
25 they said that is unheard of that i should hide in a small town for
26 the rest of my life and forget what happened that these are now
27 historical crimes. I said they are still doing it. i know girls who
28

1 were murdered or overdosed and never had a chance a freedom. None
2 of this is historical to me. It's been an entire lifetime of abuse
3 that never ends.

4
5 Diane Doolittle is the ring leader in all of this. I reported her
6 to the State Bar years ago and she had the report deleted. People
7 can not tamper with government agencies.
8

9
10 We are all sharing this world together.
11

12
13 I did not know a lawyer could just abandon your case when it is set
14 for trial
15

16 Patricia Glaser did not tell me at the inception of hiring
17 her that over half of my legal team were former QUINN EMANUEL LLP
18 ATTORNEYS AND THAT DIANE DOOLITTLE WAS THEIR BOSS. BY LAW THIS fact
19 NEEDS TO BE DISCLOSED AND PUT IN MY RETAINER AGREEMENT.
20

21
22 When Patricia Glaser filed the lawsuit Goguen was terminated by
23 Sequoia Capital Immediately as they know they ratified his behavior
24 and were participants in Goguen Sex Enterprise.
25
26
27
28

1 MICHAEL Goguen solicited Girls and women for other men to exploit
2 and abuse they all travelled for sex tourism together.

3
4 I don't know how Goguen purports he has never rented a prostitute .
5 He is in Strip clubs most days of the week having sex in the back
6 room within minutes and ordering females to his room and residence
7 for sex, rape and orgies.
8

9
10 If Goguen was not paying me for commercial sex acts so that i
11 could go to university I have no explanation for what he was paying
12 me for. He said it was my job thats why I had to endure the violent
13 demanding sex acts. It was my job to provide him with as many
14 beautiful photos on demand for his private collection.
15
16

17
18 I have no idea why a billionaire was making me not have food and
19 fly on Southwest for \$79.00 to all these destinations sometimes I
20 had to take 2 or 3 flights I would be so exhausted and the sodomy
21 would commence upon arrival. He started screaming at me one time
22 for wearing pajamas when it was cold in the middle of winter in
23 Toronto. He was hiding in the closet at the rosewood sand hill when
24 the guy came with the room service he ordered. He always ordered
25 cheese burgers. I was allowed to eat only when he would leave the
26 room to go to his office or his house in Atherton. I was never at
27
28

1 his house. After the guy delivered the food Goguen was screaming at
2 me because the guy asked me what City I lived in and I said L.A

3 .

4 That stands to be a normal question. The Guy was just being polite
5 Goguen said I should have told him something else. i don't know
6 what difference it would have made. The guy was not asking because
7 he would have care if Goguen had actually spoken to him. He was
8 inquiring about me. Its Goguen's narcissistic psychopathic mind
9 that leads him to believe he is so important that the man
10 delivering his food would be at all interested in him.
11
12

13
14 When he really began destroying mY body not just my mind he made
15 me set up companies to receive the money.
16

17
18 Amber had never heard of an LLC or a 501 C 3 company. i did not
19 know what legal zoom was he instructed me to do this and then
20 wanted me to sent up a 3rd company a charity to receive the money
21 for the personal injury settlement. This is all in evidence.
22

23
24 I didn't know why he said the companies were for my privacy in
25 his deposition. He has an entire tax evasion scheme going nation
26 wide and across international borders.
27
28

1 Why would Amber need a company for her privacy the bank
2 statement still says Michael. L. Goguen trust and Valley Oaks LLC.
3 Nobody was looking at my banking besides The bank and Myself. So
4 where was he protecting my privacy? More perjury and suborning of
5 his perjury. He wasn't, was not at all concerned about protecting
6 Ambers privacy, Goguen was hiding Goguen sex enterprises from the
7 Government and I don't know who else.
8

9
10
11
12 Goguen has married 3 prostitutes two from Las Vegas one from the
13 Gold Club in Atalanta which was shut down for human trafficking and
14 racketeering. Why Diane Doolittle is blaming Amber that Goguen
15 divorced Jordana Woodland when Amber never spoke to Jordana
16 Woodland or contacted her in any way at any time to this date. He
17 had All is prostitutes traveling to Two Bear ranch and living in
18 guest houses apartments and hotels in Whitefish Montana when he
19 decided to get a divorce for Jordana Woodland in Augusta 2014 after
20 the agreement was signed he called Amber told her about the divorce
21 and said he was planning to resume sodomizing Amber.
22

23
24 Amber said no.
25

26 Jordana Woodland knew about Goguens Harem he has 3 of his wives
27 living in Whitefish Montana. Jordana Woodland did not have any
28

1 knowledge of Amber. Amber found out about Jordana Woodland Because
2 she was prancing around in skimpy clothing and in Ambers
3 neighborhood with men and and going out to bars in mini skirts
4 while heavily pregnant she was announcing herself As Jordana
5 Woodland- Goguen.
6

7
8 She knows some people whom Ambers knows through the fashion
9 industry she has paid them hundreds of thousands of dollars to make
10 her seem famous. Weird. Goguen said he married a famous Hollywood
11 Movie star. Clearly Jordana Woodland is not a movie star nor is
12 she a super model as Goguen repeatedly stated. She paid for
13 Billboards of herself in panties to be hung up around Ambers
14 neighborhood. Goguen said Amber had to move to another city or
15 country. The only film she was in to Ambers knowledge is a comedy
16 that Goguen funded about teenage Escorts glorifying the sex
17 trafficking industry. Super models are defined as people who earn
18 10 million dollars or more per year in ad campaigns or fashion
19 shows. Jordana Woodland was never a fashion model nor a Hollywood
20 actress she was a stripper and escort in Las Vegas until Goguen
21 Married her while he expanded Goguen Sex enterprises. She attempted
22 to be a reality star and internet influencer.
23
24
25
26
27
28

1 I have nothing against the women I just don't want to be in a harem
2 with her or any of them. I never agreed to any of this. Polygamy
3 and harems are illegal in America. None of these women and I would
4 ever be friends or palling around together. The only one I have met
5 in person was Jamie Stephenson when she was blocking the doorway to
6 the court room in San Mateos and an intimidation tactic. These
7 females have completely different ways of living life. How anybody
8 invest in Montana in the concubine is beyond my comprehension.
9

10
11
12 Michael Goguen kept a spread sheet of 5000 of his victims. He
13 showed it to 3rd parties because he is a very sick and depraved
14 psychopath.

15 Some of his victims he had procure younger girls that would do
16 anything he wanted sexually. Theses women are full time prostitutes
17 dozens of them have called me. None of them deny being prostitutes.
18 They have various reasons why they are prostitutes. He frequents
19 various types of brothels. So far none of them stated that he met
20 them on a street corner he orders escorts from agencies. He rapes
21 them violently because he knows the police will side with him.
22
23 Which is wrong.
24

25
26 None of them believe themselves to be victims of human
27 trafficking. I assume because of the brain washing. Goguen has paid
28

1 their pimps to silence them and keep them complicit several of them
2 have stated they are now homeless because of Michael Goguen.
3

4 When he can no longer abuse us he just tosses you out to die.
5
6 Some of them state they work street corners and work in escort
7 agencies. They do not think they are victims of human trafficking
8 when their pimp is their husband or their fathers child.
9

10 I have no clue why a judge is willing to violate the law of the
11 land and prevent me from providing this evidence in a court of law
12 just because they were bribed by Goguen.
13

14
15 Evidence is not defamation. Providing evidence is not extortion
16 providing evidence is part of the criminal and civil justice system
17 you can not silence victims from providing evident to the court. If
18 these pedophiles don't want to be "defamed" they should stop raping
19 girls and women. There is no cure. They should get the electric
20 chair how many girls and women do they have to rape before
21 something is done to stop them?
22

23
24 RAPE IS CRIME, HUMAN TRAFFICKING IS A CRIME, PEDOPHILIA IS A CRIME
25 THE DOJ IS NOT JUST FOR SHOW IT IS FUNDED THROUGH TAX DOLLARS SO
26 ARE THE JUDGES.
27
28

1 These judges need to be disciplined and removed from the bench
2 immediately. They can not violate victims rights and the rights of
3 society as a whole. If rapists were stopped at victim one there
4 would be zero serial rapists, Zero serial killers.
5

6
7 Castration is an option. But they would then just murder girls
8 and women.
9

10
11
12 Shortly after the Lawsuit for breach of contract was filed in
13 2016 Patricia Glaser began charging me approximately 10,000.00 per
14 day everyday of the month to read documents. One lawyer went to one
15 short hearing for less than an hour.
16

17 Glaser Weil filed a massive motion to compel discovery around
18 the same time as they filed the motion to withdraw. Amber was left
19 in Pro Per in a foreign country being stalked and hounded by
20 Michael Goguens henchmen.
21

22
23
24 They chased Amber through 4 different countries.
25
26
27
28

1 After Patricia withdrew from Ambers case for no reason other
2 than I could not pay \$10,000.00 per day for them to read documents
3 the motion to compel was heard. I appeared via court call.
4 The Judge stated there was nothing to compel as Patricia Glaser had
5 not served written discovery. Which Amber asked her to serve Jill
6 Basinger said it was optional and their firm did not serve written
7 discovery they only ask questions at depositions.
8

9
10 A couple of days after the lawsuit was filed in 2016 Jill
11 Basinger called Amber and said Patricia was in Israel that Diane
12 Doolittle wanted me to pull the complaint before the press got it
13 and that they would pay what was owed plus interest under the
14 contract. I said no because I wanted to speak to Patricia she was
15 the only one I thought i could trust. Jill Basinger said it was
16 night in Israel and we could not call her so i am put on the phone
17 with Diane Doolittle and Jill
18
19

20
21 Diane Doolittle was her usual mean self.
22
23

24 Diane Doolittle Leaked the Complaint to the press so there was
25 nothing i could do at that point.
26
27
28

1 Amber asked Patricia to resolve the issue between Rivers Morell
2 and Myself I asked if we could call him together so I could explain
3 what happened she said no.
4

5
6 Patricia called Rivers. I do not know what was said. Rivers
7 Morell did not go to fee arbitration rather he filed a 100 million
8 dollar lawsuit in Orange County against Myself, Goguen and Quinn
9 Emanuel, Goodwin Procter Diane Doolittle and Michael Goguens other
10 lawyers of which there is an army.
11

12
13 I don't know any innocent man would need fifty eight or more
14 lawyers from seven white shoe law firms.
15

16
17 When Rivers Morell filed his lawsuit in Orange County Patricia
18 stated she does not represent me against Rivers, That I need a
19 second law firm. I was very very distraught and did not understand
20 anything that was happening. It might have been Jill who elucidated
21 it. They often called me in Tandem.
22

23
24 The first image of me printed by the traffickers for the
25 marquee said had this text on the Image "I am not a lawyer but I
26 can get you off."
27
28

1 I did not know what that meant or why they put those words on
2 my 8x10. The traffickers did whatever they wanted. They tried to
3 sell me to porn films I fought them about it for years, if they
4 made me cry everyday they could not get as much money from
5 exploiting me. So they didn't bring it up everyday only when the
6 porn movie recruiters were coming.
7

8 The traffickers have lawyers and illegal contracts as well.
9

10
11 Amber would often be in the bathroom or the dressing room
12 crying. I would take a nap in the non smoking room under the table
13 the bouncers would come find me if i was asleep to long. Bouncers
14 were part of the Gang. They were not there to protect us girls.
15

16
17 A Long Nap being more than 30 mins. They knew they would find me
18 trying to breath in the no smoking room. Amber had to inhale so
19 much second had smoke that I would have nicotine withdrawals when I
20 was not in the clubs. I do not remember a day that i have not had a
21 headache.
22

23
24 After Patricia's motion to withdraw was granted. Amber began
25 interviewing lawyers via video call. Nobody wants to deal with
26 Diane Doolittle specifically because she has zero legal ethics.
27
28

1 Judges should not be allowed to abandon victims of crime/
2 unsophisticated parties when a trial is set and the plaintiff has
3 no new counsel in place. Victims are not lawyers. This is never
4 allowed in most other countries. Lawyers are bound to duty and a
5 code of ethics. Victims do not know how to direct lawyers. Nor
6 should they be expected to. Victims are under duress its the
7 lawyers job to be their advocate. business lawyers should not be
8 representing rape victims.
9
10
11

12 Amber has no idea why Quinn Emanuel is alleging Amber is the
13 sophisticated party. When Quinn Emanuel has 1200 lawyers Goguen has
14 them and 6 other firms working for him he has been in countless
15 business and personal lawsuits and three divorces. Goguen has
16 Business contracts for illegal dealing that interfere in government
17 matters. Three prenuptial agreements housing contacts and an
18 unfathomable amount of non disclosure agreements for destroying
19 women's bodies and minds.
20
21
22

23 All with highly trained lawyers and he himself claimed he could
24 be Ambers lawyer. When he has no license to practice law. Amber
25 believed him because she conjoined this to the idea that a person
26 can with have a real estate agent with a license or they can
27 represent themselves and make an offer on a property themselves.
28

1 Amber believed that what Goguen said was true that Goguen and his
2 lawyers could represent her and the agreement was the best
3 possibility for Amber to be free from abuse exploitation, have
4 shelter and medical care.
5

6
7 Rivers Morell found several lawyers for Amber after Patricia
8 Abandoned Amber .
9

10
11 Amber hired Brian Chase. He drinks heavily and smokes cigars.
12 Brian Chase made a deal after a short time to abandon my case
13 leaving me in Pro per again. He took bribe money from Michael
14 Goguen a short time after Goguen offered Rivers Morell 1 million
15 dollars to disappear.
16

17
18 Brian Nash had come on the scene by by September 2016. After
19 Michael Goguen had written a fee agreement that allowed Michael
20 Goguen the predator to pay Brian Nash to hurt Amber.
21

22
23 Brian Nash is Michael Goguens ex-best friend He attended
24 Goguens weddings. Goguen showed him pornography of his wives.
25

26
27 Goguen began Having sex with Brian Nash's first wife Stephanie and
28 paid for lawyers to Destroy Brian Nash's career and his marriage

1 and take Nash's children away from him. All of the victims refer to
2 Goguen as the predator.
3

4 Brian Nash Contacted Michael Goguen when he learned of Ambers
5 lawsuit and stated for a fee of 15 million dollars he would help
6 Michael Goguen destroy Ambers life. Brian Nash states Goguen shared
7 Child pornography of amber In the early 2000's
8 Brian Nash wanted 15,000,000.00 to work as a consultant for Goguen.
9 So Goguen could "restore his reputation"
10
11

12
13 Amber asked Nash why he did that. He said he didn't know about
14 amber he assumed she was one of Goguens full time prostitutes. He
15 did not know anything about her life. He apologized. Amber asked
16 why would you help him hurt anyone stop being doing things like
17 this just forget about the predator.
18
19

20 Amber did not know what reputation he was going to restore. It is
21 public knowledge that he is a rapist, pedophile and sex trafficker.
22 He was a pedophile who had sex with his teenage babysitter long
23 before he was raping Amber.
24
25

26 Michael Goguen again prepared his agreement with his lawyers and
27 did an illegal police sting On Brian Nash and never wired the Money
28

1 to Brian Nash. Brian did not tell Amber any of this when he
2 contacted Amber the first time after Patrica Glaser abandoned Amber
3 in Pro Per. He said his name was JUSTICE masses.
4

5
6 Amber did not know Brian's name I did not know what he looked
7 like. He sent me a photo of him in the 1970s with long hair and a
8 1970s suit after time passed.
9

10
11 After calling Amber for awhile Brian Nash stated he was in love
12 with Amber. He stated on multiple occasions that he had conflicted
13 feelings.
14

15
16 Amber told Nash that is impossible you have never even met me.
17 I told him not to say that ever again and that he had to marry
18 Kelly. He insisted on telling me this love idea repeatedly. I said
19 Nash I am never going to be in Love with anybody and I am not
20 marrying any men.
21

22
23 Nash is traumatized by Goguens psychotic behavior. Brian Nash
24 used to go to strip clubs with Goguen where Goguen would disappear
25 with the youngest girls he could find to have sex with them in the
26 back room. Nash did not participate.
27
28

1 Nash used to cash Goguens expense checks for him so his first
2 wife would not know how much money he was spending on prostitutes.
3

4 Amber is not a sexual person. Amber is Not a lesbian, Amber is
5 not Bi- sexual I am not a sexual at all.
6

7
8 I don't even have a sexuality the only thing I know is about
9 sexuality is Goguen holding his penis in his hand and using it as a
10 weapon. I have never heard of anyone violating 5000 women.
11

12
13 I don't understand, isn't all sex the same why would any person
14 even a rapist need to violate 5000 humans.
15

16 Amber is a victim of human trafficking I have complex PTSD and
17 a parasomnia, from the abuse. I have HPV. Michael Goguen ripped a
18 hole in my body and now Tungsten poisoning.
19

20
21 Why in the universe would Amber contemplate being in love having
22 a child or marrying a man. Thats outrageous its all of them who did
23 this to Amber.
24

25
26 Amber told Brian Nash several times to just stop thinking about
27 her case and my life and to stop stalking Goguens victims and not
28

1 to be a vigilante. I understand that Michael Goguen destroyed Brian
2 Nash's life but I didn't want Goguen to kill Nash.

3 Michael Goguen never mentioned Brian Nash's name to Amber.
4

5
6 Goguen told Amber all about his friend Tom's violations of
7 women. Brian Nash is not a rapist or a psychopath he is just a
8 victim of Goguens Sex Enterprise and abuse and stalking.
9

10
11 Brian Nash Hired Rivers Morell to represent him in his breach
12 of contract. Amber asked Brian not too. He then had phone
13 conferences with Brian Chase, Rivers Morell and Alan Brown.
14

15
16 Brian Nash did horrible things like filing their lawsuit on the
17 morning of my deposition causing me further distress while being
18 grilled for hours on video about every aspect of anal rape alone in
19 a room with the rapist and 6 or 7 men that Amber does not know.
20 They were all sharing evidence from my case. I asked them to stop.
21 Every man does anything they want to exploit me. I say NO they do
22 it anyway.
23

24
25 Some how Brian Nash at some point decided that of
26 \$40,000,000.00 owed to Amber : she would have 10 million Rivers and
27 Alan would have ten million and Brian Nash would have 10 million.
28

1 Amber is not clear as to why every man on this planet believes
2 Amber owes them money merely because she is alive.
3

4 The dozens of hours of depositions which Patricia Glaser promised
5 Amber would only be 7 hours on the record are sexual harassment.
6 The lawyers take so many food breaks so they can bill more and more
7 hours. Amber does not want to eat in front of people who have
8 dehumanized her.
9

10
11 I don't know why any lawyer is alleging that my photo on a beach
12 in a swimsuit somehow caused Goguen to rape me that is outrageous
13 Females not cause rape. Rapists perpetrate rape because they are
14 demonic psychopaths. Amber has no idea what is wrong with men.
15 There are a very small number on the planet that are not satanic.
16 They are wolves in sheep clothing. I can attest to this because I
17 had to speak to hundreds of thousands of the. I did not keep count
18 but a great many. I wish now I would have counted.
19
20
21

22 Diane Doolittle is a female misogynist representing several of
23 these rapists and telling us plaintiffs that we have no rights and
24 the rapists have the right to rape us and she will exploit that
25 for her profit.
26
27
28

1 Amber is not the first female Diane Doolittle has done this to
2 but I pray i am the last. No person deserves her abuse in addition
3 to the rape and trafficking.
4

5
6 How would Diane Doolittle like it if her clients raped her? I am
7 sure they would not want to because she is so evil. Her eyes are
8 vacant.
9

10
11 Amber am not mad at Patrica Glaser I thought she was a nice
12 lady. I am sad she just abandoned me in this mess to go represent
13 rapists and pedophiles because they can pay her more.
14

15 I think Patricia has enough money and should only help other
16 victims for the rest of her career because they need help. They
17 don't want to speak to any male lawyers.
18

19 That is second hand rape These Lawyers they are all perverse
20 Voyeurs
21

22
23 Lawyers in Canada, France and England are not allowed to
24 terrorize victims on video for endless hours for blood money and
25 filthy lucre.
26
27
28

1 The only time they can examine a witness is at trial on the
2 witness stand. Diane Doolittle should not be a lawyer any more
3 because she is a stalker and a criminal perverting the course of
4 justice. The rest of the lawyers have to have trials before the
5 state bar court. The problem is they work at the state bar. This is
6 all so corrupt. She is far more than unethical.
7

8
9 After Michael Goguen and his Lawyers bribed Brian Chase to
10 abandon Ambers case so they could win while Amber was in pro per
11 Rivers introduced me to Richard Sherman who did very unethical
12 things to me.
13

14
15 Richard Sherman then withdrew after being very lazy, making Abhay
16 Kholsa do all of the work for little salary and asking Amber to pay
17 hundreds of thousands of dollars in legal bills for his clients
18 that Amber did not even know in completely unrelated cases.
19

20
21 Amber refused so Richard Sherman lied to the court and stated
22 that we had an attorney client breakdown. When a trial date is set
23 in Common law countries the Judge can not allow a lawyer to abandon
24 the case. They have a fiduciary duty.
25
26
27
28

1 As the judges set such a low standard of ethics for the Lawyers
2 in this case By allowing Glaser Weil to abandon my case every
3 lawyer there after thought they could stay not do their job and
4 just abandon me in this horrible situation.
5

6
7 Quinn Emanuel perverted the course of justice in every way
8 possible. I am still researching all of their violations that I
9 have evidence of.
10

11
12 The only thing I can tell myself everyday is that today nobody
13 raped you today, nobody beat you today, nobody made you Drink Urine
14 today, you are not hemorrhaging today, What type of existence is
15 that for any human being?
16

17
18 They breached the protective order multiple times further
19 endangering Ambers life.

20 I did not know what a protective order was when Patricia Glaser
21 told me I was getting one I though it was an order of protection to
22 protect me from the stalking.
23

24
25 Michael Goguen did not turn over a single piece of relevant
26 evidence in the case. He committed perjury time and time again and
27 Quinn Emanuel Suborned the Perjury and manipulated his testimony.
28

1 Diane Doolittle called witnesses to ask why Goguen had prostitutes
2 without bras or panties in short skirts at her office.
3

4 Goguen Stated multiple times that Diane Doolittle is evil and
5 coin operated and that the Lawyers are my adversaries and Amber had
6 to depend on his knowledge to save my life.
7

8
9 All Doolittle has done is manipulate testimony cut apart my
10 testimony and spliced it together to suit her evil plan. She fed
11 witnesses their testimony and told them what they had to say at
12 deposition. Diane Doolittle made unethical interjections and
13 objections during cross examinations of witnesses she had coached
14 during their depositions. Diane Doolittle and Bruce Van Dalsuem do
15 not represent the witnesses they tampered with.
16
17
18

19 In year 2017 because of the stress and being stalked and chased
20 by Michael Goguens henchman investigators relentlessly. I fell and
21 shattered my arm I am left handed I shattered my left arm. The only
22 job I am certified to do I can never do again as my arm will never
23 be whole again.
24
25
26
27
28

1 The Quinn Emanuel lawyers alleged that Amber imagined the arm
2 injury or faked the injuries. Because they are evil. They would not
3 even give Amber peace to undergo surgery.
4

5
6 Yet the "lawyers" delayed the trial for their injuries and
7 holidays and their other trials but Amber is not a human she should
8 perform under all circumstances on command even in a court of law
9 like a circus animal. Amber is a shy person by nature. I do not
10 like witness stands nor do i like sitting in rooms with male police
11 talking about rape.
12

13
14 The expert witness was flying to assess Amber the day the arm
15 shattered and Ambers friend was being deposed in LA so Amber sat
16 through the deposition on the phone so they would not hurt him. He
17 is sensitive and homosexual and had zero knowledge of any of this
18 rape and human trafficking.
19

20
21 Quinn Emanuel do not have the right to violate these innocent
22 people. Some gay people are in the closet because of the stigma and
23 gay bashing so what do Quinn Emanuel do? Stalk them at home and at
24 work and threaten them with exposing their sexuality. That is
25 cruel.
26
27
28

1 Just as Diane Doolittle extorted Amber by saying if I went to
2 trial she would shine a spotlight on me and show people my photos.
3 I did not know she could put my photos on the news. She did it
4 because she is a criminal and a heartless evil women.
5

6
7 I don't want to be forced to look at her anymore it was the most
8 unfathomable displeasure to meet such type of woman.
9

10
11 All of this is cruel and unusual punishment for my being born a
12 female.
13

14 Frank Nemecek had the audacity to write to me stating that I am
15 the perpetual victim, if 58 lawyers would stop exploiting me and
16 profiting from my circumstances of rape and human trafficking then
17 they would not have to hear any of this and now that they have
18 plastered them selves all over my destiny All I can do is ask the
19 supreme court to stop them from harming me.
20
21

22
23 This is egregious. I can't even expound on what I feel I can't
24 cope under these circumstances. I don't know who could, it is like
25 having invasive brain cancer to have these people invade my mind.
26
27
28

1 Amber has panic attacks day and night day and night, even when I
2 sleep I wake up screaming.

3 I only get to sleep when profound exhaustion takes over. I don't
4 know why any of this is happening I was going to be a doctor that
5 was my plan from age 6. I was a volunteer even as a child and I
6 would go to sing for people as a tiny child. Now all I do is try to
7 breath. I can't digest food properly I am poisoned with toxic
8 metal.
9

10
11
12 So now I am supposed to figure out how to sue surgeons and
13 hospitals by myself. I am not a lawyer I never professed to have
14 any desire to be a lawyer.
15

16
17 If I survive I am going to sit for the law in California so I
18 can represent other victims and children for free because clearly
19 they can not represent themselves and clearly they will be abused
20 by lawyers and judges.
21

22
23 My life is not going to be in vain. I am a shy person. I always
24 was and likely always will be. I was never an exhibitionist
25

26 I do not like people to look at me whatsoever because of this
27 trauma, however even before the trauma I was extremely shy. I grew
28

1 up very religious. I was isolated. I did not know what porn was I
2 did not have an iPhone or internet or access to playboy magazines.

3
4 I was taught how to waltz, play the piano play the flute,
5 piccolo.
6

7
8 I was not allowed to go walking to the park alone. People
9 always stopped and asked my grandfather where I was from and why I
10 was beautiful. He said she is smarter than she is beautiful and
11 they should not stare at me.
12

13
14 I went to convalescent homes to visit people all of the time to
15 bring cheer to the dying. I was a volunteer at the homeless shelter
16 and I went to put up hundreds of flyers when a girl went missing.
17

18
19
20 After days passed I was crying hysterically and told everyone
21 there is no point she is dead. Shorty after they found her body in
22 a shallow grave near my home the murderer was acquitted even they
23 had his DNA and he confessed to raping and killing a child to his
24 cell mate.
25
26
27
28

1 This world is not a very good place if Judges do not uphold the
2 law.

3
4 During the first surgery to repair my arm the surgeon left toxic
5 metal in my bone marrow canal and he subsequently ended the surgery
6 and did not disclose that he broke 4 pieces metal did not attempt
7 to extract it and left it in me.
8

9 Tungsten is toxic in humans it causes Pulmonary edema which is
10 fatal, scar tissue on the lungs amongst other serious issues. Yet
11 the Judges have allowed Quinn Emanuel to interfere with my medical
12 treatment.
13

14
15 Amber started getting sick shortly after the surgery in 2017. I
16 went to at least 17 highly qualified surgeons to help me. They all
17 turned me away firstly stating that the surgery is too high risk
18 nobody wants to be the one to amputate a limb person my age after
19 another surgeon destroyed it. Secondly none of the surgeons want to
20 be involved in this omnipotent litigation process. Quinn Emanuel
21 lawyers already threaten my Harvard surgeons with defamation and
22 hearsay for declaring medical facts.
23
24

25 Quinn Emanuel illegally called my medical team in ex parti
26 communications without my knowledge and told my medial team what
27
28

1 they have to say in their declarations more evil witness
2 tampering.

3
4 That same Lawyer Bruce Van Dalsem showed up on the door steps of
5 teenage rape victims and threatened them and bribed them into
6 signing agreements not to testify in my case.
7

8
9 This is after the judge forced me to disclose the names of
10 victims that came forward. I don't want to look at him either. And
11 I am not going to sit in any room other than the court room with
12 John Quinn.
13

14
15 Finally after an exhaustive search I found the only surgeon and
16 team willing to attempt to save my arm and my life. He performed
17 the first surgery a few approx 3 Months before trial in 2019. He is
18 from Harvard.
19

20
21 How dare Quinn Emanuel impose their despicable ways upon my
22 medical team. They have not done anything in error.
23

24
25 The discovery referee Read Ambler only gave Amber 90 days to
26 find a qualified surgeon deal with the surgical complications
27 undergo major surgery on two bones go through chelation for the
28

1 metal toxicity heal and stop taking over a dozen medications
2 prescribed to help Amber survive.

3 The surgery was in July 2019 the trial was in October 2019.
4 Judges and lawyers are not Surgeons they have no business
5 interfering in plaintiff's critical medical treatment. Surgeons are
6 telling them that I need treatment and they are violating my rights
7 and telling me the treatment is not necessary or that I don't
8 deserve medical treatment which ever, it is its wrong and illegal.
9
10

11
12 William Paoli also sits as a judge on the bench he is an
13 extremely abusive man. He screamed at me in public places several
14 times.
15

16
17 Shortly after Amber signed the retainer agreement he changed
18 from being a victims advocate and a man of god to threatening to
19 abandon my case and keep \$500,000.00 that he never earned from my
20 attorney client trust account even though he was on a contingency
21 due to the fact I can never afford to pay the millions of dollars
22 per year that Michael Goguen pays his lawyers to do illegal things.
23
24

25 William Paoli began telling Amber repeatedly about the horrific
26 details of how his first wife died. He then kept telling Amber
27 about the strippers he was involved with in Chicago and that they
28

1 were not victims of human trafficking . I doubt he knows whether
2 they are victims of human-trafficking or not. I really did not want
3 to hear about my lawyers perversions.
4

5
6 Paoli stated that he was punishing me for the strippers in
7 Chicago taking money from him and for my not paying millions of
8 dollars to Patricia Glaser for making a mess out of my case.
9

10
11 Glaser Weil tricked Amber into signed a verified complaint no
12 lawyer ever explained to me what a verified complaint was or that
13 there was a choice.
14

15 I signed it in a room by myself Jill Basinger was supposed to be
16 there when i signed it she called me to come to the office and the
17 receptionist told me she went home with a headache. I signed the
18 verified complaint in a room by myself. Nobody told me anything
19 about the fact it could not be amended or anything else. I only
20 learned all of this during litigation.
21
22

23
24 Amber does not know why men in strip clubs and brothels think
25 the girls are there because they are attracted to the customers. We
26 are not attracted to gross perverts, they have bad hygiene are so
27 unattractive, rude, arrogant perverted, drunk, high and they are
28

1 all sitting in the same room rubbing their penises. That is so
2 perverse.

3
4 If the perverts believe themselves to be famous they say
5 here's my card don't tell anyone I was here. I told all of them
6 this is a public place there are 2000 people in the room everyone
7 can see you.
8

9 Again Amber has no explanation for why men are sexual predators.
10

11
12 Someone told me recently they had to call the police because a
13 guy kept coming to the school and master-bating when the girls came
14 out for recess. This is unacceptable.
15

16
17 What is Diane Doolittle going to say? little girls need to be
18 prayed upon by old men master-bating outside their schools.
19

20 I will never ever ever have a daughter there is no way to
21 protect her from these psychopaths. Men can not touch children. Men
22 can not look at children naked. What is wrong with this pedophilic
23 culture.
24

25
26 Children don't have sex with each other let alone with old men.
27 Let them be children. I don't understand what is attractive about a
28

1 child. I don't understand what the purpose of rape is. Men are
2 supposed to love women not rape them and master-bate on people they
3 don't know and put there vile hands on children.
4

5
6 Amber is so sick, physically ill from hearing all of these girls
7 and women's experiences. STOP raping people! Men have to be caste-
8 rated as soon as the rape anyone. I don't know what other solution
9 there is. I have been hiding for so many years but rapists find me
10 everywhere as soon as they talk to me or follow me I escape before
11 they touch me.
12

13
14 After Richard Sherman Abandoned me after violating the legal
15 code of ethics and mis-spending from my costs account.
16

17
18 I was introduced to William Paoli through Rivers Morell ,Alan Brown
19 and Brian Nash I guess.
20

21
22 Paoli was awful to me screaming about rape and trafficking in
23 the middle of restaurants.
24 Threatening me all of the time.

25
26 Amber was dealing with the health crisis created by the first
27 surgeon walking around for years with broken bones and Metal
28 poisoning and severe anemia.

1 I can not even get doctors to treat me because of this
2 litigation and the fact that i will never have insurance because of
3 all of the pre-existing conditions caused by Michael Goguen's
4 abuse.
5

6
7
8 Amber repeatedly asked for a trial continuance
9

10
11
12 Amber was threatened that if I went to trial I would be murdered.
13 I had no lawyers.
14

15
16
17 As soon as Amber could try to manage the complex PTSD, quit all
18 of the medications while still pending two major surgeries that I
19 can not pay for do to this illegal judgement procured by bribing
20 Judges and violating all of Ambers human rights I Filed a motion
21 to vacate the judgement based on extrinsic fraud upon the court and
22 presented all of my evidence.
23

24
25 Judge Danny Chao Further violated Ambers rights by denying her
26 motion to vacate the judgement or Grant Amber a new trial all he
27 cited was that it took Amber too long to file.
28

1 Amber had to rely on 3rd parties that Michael Goguen and Diane
2 Doolittle lied about to provide evidence of the stalking and intent
3 to murder Amber. When I had the evidence to prove my case I have to
4 try to get the pain and bleeding under control to be able to go to
5 represent myself in court.
6

7
8 These are extremely extenuating circumstances. Upon examination
9 the evidence Judge Danny Chao should have immediately granted a new
10 trial or enforced the contract.
11

12
13 This is an unprecedented case. Amber can find nothing similar in
14 case law. I have to go to the law library and do hundreds of hours
15 of research for the last 8 years.
16

17
18 Hon. Danny Chao the trial judge in this case who allowed the
19 trial to go forward without Amber or any lawyers on behalf of Amber
20 yet again been improper in denying my motion citing only that I
21 filed to late not that based on evidence everything that I allege
22 is true and continues to happen to todays date without any
23 protection for myself or anyone I know.
24

25
26 I have no comprehension of why Hon. Danny Chao allowed a bench
27 trial to go forward in a court Amber had never been too. And
28

1 allowed Diane Doolittle to do everything that violates the court
2 and the constitutional rights of Amber.

3 Judge Chao allowed them to play a Hollywood film that has zero
4 relevance to the case. The film was made around the time Amber was
5 born. Hollywood films based on fiction are not evidence in courts
6 of law. I am not sure if they are even evidence if the case was
7 about the film. I have not seen the film it is irrelevant to this
8 case. I watch very little television.
9

10
11
12 Goguen watches war films between rounds of sodomy because he is
13 a psychopath.
14

15 Read Ambler's fraud upon Amber , Fraud upon The Court and
16 perversion of the course of justice. Due to Quinn Emanuels abuse
17 of the legal process their only tactic was to silence victims,
18 Steal money, file thousands upon thousands of irrelevant documents,
19 and serve irrelevant discovery month after month as a tactic to
20 overwhelmed the court and deplete all resources Amber had, exhaust
21 and overwhelm Amber and Ambers counsel delay the proceedings, try
22 to give Amber a nervous break down by stalking her an threatening
23 her life relentlessly.
24
25
26
27
28

1 The psycho-therapist after review of everything explained to
2 Amber that what they are doing is gas-lighting. Telling me rivers
3 was stalking me everyday, Trying to convince me that I am crazy
4 when no specialist in the medical profession detects any mental
5 illness besides Complex- PTSD caused by trauma. Diane Doolittle
6 tried to convince 3rd party witnesses to allege that Amber has a
7 plot personality disorder. Diane Doolittle has no PH.D in medicine.
8

9
10 Stop gaslighting me and stop Advertising me. You did not win a
11 law suit you violated Amber's rights committed crimes tampered with
12 witnesss, law enforcement and judges. that is not winning a
13 lawsuit.
14

15
16 After they overwhelmed the Court They assigned a \$900.00 per
17 hour discovery referee Hon. Read Ambler who further abused the
18 legal process. He sanctioned Amber and stated she could not testify
19 about being a victim of human trafficking He sanctioned Amber
20 \$17,000 USD for not being able to produce items not in her
21 possession that have zero relevance in this case and under the laws
22 of other countries even if she had them in her possession it is
23 illegal to make copies or disseminate the documents in anyway which
24 would lead to Amber being prosecuted in other nations.
25
26
27
28

1 The referee did not sanction Michael Goguen even 1 penny at any
2 time even though he did not turn over any relevant discovery and
3 tampered with witness and did a great many illegal things before
4 the proceedings, during and after the proceedings.. His lawyers are
5 as guilty as the rapist is.
6

7 Read Ambler then issued Terminating Sanctions with no legal basis
8 to do so. He was appointed to make discovery decisions not to hear
9 motions.
10

11
12 William Paoli Stated he was going to file a Writ of mandamus he
13 did not. Paoli was too busy threatening Amber. He then stated he
14 would still be trying the case even though he withdrew from the
15 Cases. Amber asked him not to remain On the Rivers Morell case in
16 Orange County as he was threatening Amber, stealing from Amber,
17 telling Amber to amputate her Arm because he would win her case at
18 trial and she could then buy a platinum arm.
19

20
21 Even though William Paoli had a contingency and was holding
22 500,000 USD in the attorney client trust I believe. He then said
23 Amber had to pay separate fees for the writ of mandamus.
24
25
26
27
28

1 William Paoli then secretly went to meet Michael Goguen and
2 Diane Doolittle in Las Vegas. Amber had no knowledge of this until
3 long after.

4 Amber does not know what transpired at the meeting or how much
5 money they Gave William Paoli to destroy Amber's trial and to
6 destroy critical evidence in the case. Amber Does not know how many
7 People met in Las Vegas or what was discussed or how they further
8 exploited Amber at this meeting. Amber has no idea why these
9 perverts were meeting in Las Vegas none of us live in Las Vegas.
10 Goguen has more lawyers in Las Vegas.
11
12
13

14 When William Paoli failed to prepare and file the writ of
15 mandamus and abandon Ambers case Goguens lawyers filed another
16 motion for terminating sanctions which should have been heard by
17 the trial Judge not Read Ambler but he colluded once again with
18 Quinn Emanuel to violate Ambers rights and heard the motion and
19 granted their motion while I was in pro per receiving from surgery
20 with two broken bones, metal toxicity, seizures and taking so many
21 prescription medications to stop my body and mind from shutting
22 down.
23
24
25
26
27
28

1 I then went to the court in San Mateo even though I was never a
2 resident of San Mateo other than Micheal Goguen keeping me at the
3 Rose Wood Sand Hill for the purposes of sexual exploitation.
4

5
6 Goguen and his lawyers chose the Jurisdiction for if He
7 breached the contract. As soon as Goguen was fired from Sequoia
8 capital he promptly moved to Montana never came to a sing motion
9 hearing and forced everyone o travel to his location.
10

11
12 At no point Did Goguen or any of his lawyers inform Amber of
13 what a statute of limitations was. They conspired together to
14 violate Ambers legal rights to have a trial by jury from the very
15 beginning.
16

17
18 Rape and trafficking victims don't know anything about statutes
19 MSJ's, Sanctions, lawyers or otherwise. I have never heard of any
20 of this until the lawsuit was filed. I have no idea why Patricia
21 Glaser did not tell me what to expect during litigation. I will ask
22 her at her deposition.
23

24
25 All 58 lawyers their spouses are defendants and witnesses many of
26 them are married to Judges and lawyers.
27
28

1 Had these criminals not hired all of these men to stalk Amber

2
3 I would not have shattered my arm. I then sat through a
4 deposition with my arm hanging off my body the day that it broke. I
5 was then left for 5 days waiting for surgery because the surgeons
6 were on summer vacation.
7

8
9 The first surgeon failed at his job. He used toxic drill bits
10 and left them in my bone marrow. Did not disclose it to me or any
11 other doctor, stated my bone is healed after approximately 8 weeks.
12 Sent me to Physical therapy. I was there pushing myself 5 days a
13 week while being stalked.
14

15
16 People are calling me daily asking why are these creeps at my
17 house Who is this psycho and where on earth did you meet a psycho
18 like this and why was this all a secret? I don't know what
19 everyone thought I was supposed to say to anyone about all of this.
20 I did what i thought was best to keep everyone else safe and try to
21 recover from this trauma. I am not the type of person who talks
22 about the trauma. That is pointless it contributes to the PTSD.
23
24

25
26 All I can do is apologize to these people for what Quinn
27 Emanuel have done and they are violating innocent peoples privacy
28

1 making them live in fear and causing distress to people that
2 literally don't know anything about any of this. They weren't
3 there, they didn't have any information. I had to walk past
4 investigators to go see my grandfather on his death bed.

5 I was diagnoses with PTSD at age 19. I had never heard of it
6 before. i went to the hospital because I thought I was having a
7 heart attack. The doctor explained this was an anxiety attack. i
8 said old people have anxiety. I am too young. He said it can happen
9 anytime. He asked so many questions not leading questions merely
10 questions I could not answer without telling him about the gang.
11
12
13

14 Chris Reynolds is the worst stalker. He needs to be charges
15 with stalking trespassing hacking and what ever else he is guilty
16 of. What a pervert.
17
18

19 Why do you think you have the right to terrorize me?
20
21

22 People outside of America have only seen private investigators
23 on television. Why ?because in other countries it is illegal to use
24 a private investigator to go to someone's home. It is under the law
25 stalking by alternative means.
26
27
28

1 These investigators after all of their harassment came up with
2 nothing but a psychotic strip club owner and a mentally ill, insane
3 drugged out 50 something year old dominatrix who has multiple
4 personality disorders. She comes with zero evidence and zero
5 credibility. She dumped her older daughter in the strip club and
6 brought a 4 year old daughter to swingers parties and let her new
7 husband molest the child. All children are removed from their care
8 except 1.
9

10
11
12 I am very upset about what she did to the children who I love
13 very much. I promised to be their God mother because she was an
14 only child and a very crazy drug addict. I had already stopped
15 talking to her long before the rapist send investigators went to
16 her house to bribe her into lying in this deposition where I had no
17 lawyers to ask her questions.
18

19
20 At least the judges in the Children's cases removed them from the
21 custody of these child abusers.
22

23
24 If you want the information about the traffickers go ask the Gang.
25

26 I was literally vomiting in the restroom at
27 physiotherapy because the pain is so intense. I then Go to another
28

1 surgeon and the intern tells me don't you think the pain has
2 something to do with the broken metal in your bone. I said I think
3 you have the wrong patient. He says no it's right here on your x-
4 ray.
5

6
7 After Shattering My arm. Upon arrival in 2018

8 Amber arrived in LA and was sent for X-rays and was told the bone
9 never healed and is completely shattered that I never should have
10 been sent to physical therapy. I then learned the metals are toxic
11 and causing me more health problems. I have no way to obtain health
12 insurance because of all the pre-existing conditions caused by
13 rapist Mike Goguen.
14

15
16 Amber then attended appointments to at least 17 different
17 surgeons to learn that the damage done by the first surgeon is
18 beyond the scope of capabilities possessed by the some of the very
19 best surgeons in the country. I found only one team of surgeons
20 capable and willing to try to fix the arm.
21
22

23
24 Bruce Van Dalsem from Quinn Emanuel subsequently broke the law
25 and violates all of my rights and calls my medical team and
26 threatens them with defamation hearsay and everything else causing
27 me further damage.
28

1
2 All of this while dealing with never ending harassing discovery
3 being deposed over 50 hours. Going to my lawyers offices, being
4 homeless, going to hearings.
5

6
7 All the While Goguen is out preying on more unknowing Girls and
8 women. He never came to a single discovery or motion hearing. All
9 he did was lie under oath, destroy evidence and hire men to stalk
10 and kill Amber.
11

12
13 Quinn Emanuel will not even give me the transcripts from the
14 depositions so I can enter it into evidence.
15

16
17 Goguen told Amber if she did not sign his agreement and went to
18 trial he would get a "dirty Judge". Amber did not know what that
19 meant. I thought judges had to uphold the law. I did not have any
20 awareness of this level of corruption and conspiracy.

21
22 Prior to this litigation Amber thought only traffickers murderers
23 pedophiles and rapists were bad people she had no idea Lawyers and
24 Judges were corrupt.
25

26 When this trial took place.
27
28

1 Amber had Just had surgery, I was taking 14 prescribed medications
2 daily to stop my body from shutting down. I went to the court in
3 San Mateo Ex-Parte Shortly Before the trial in 2019 with evidence
4 and declarations from my medical team. After Asking Quinn Emanuel
5 to continue the trial date until I was able to participate. Quinn
6 Emanuel said They would not continue the trial. Even though the
7 trial was continued for things so mundane as Doolittle forgot it
8 was spring break yet Goguen has 50 plus other qualified attorneys
9 on the case. I do not know how many law firms and lawyers he has in
10 total all I know is every time I look at a document there it seems
11 another lawyers name is on it.
12
13

14
15 I am my own lawyer because of everything that has happened, the
16 rapist and his lawyers chose the jurisdiction of the court. San
17 Mateo is not a jurisdiction I ever lived in. Except for the hotel
18 The rapist kept his victims in and that other rapists keep their
19 victims in. I filed the lawsuit and the rapist moved out of the
20 state of California.
21
22

23
24 When I went to the court with my motion to continue the trial for
25 very good reason. I had to take medications. I was not clear in my
26 mind to try a case. I just had major surgery and my bones were not
27
28

1 healed at all. I was having seizures. I have panic attacks I have
2 Complex PTSD, I have a parasomnia caused by all of this trauma.

3
4 Amber can never sleep. When I do sleep I have night terrors which
5 is something different than night mares. I re-live the sexual abuse
6 and the beatings and everything else in my sleep. I am scared to
7 sleep. It gets worse all of the time. I don't think I should be
8 trying this cases on my own. I have collapsed on the floor.
9
10 I don't know what will happen in the court.
11

12
13 What choice do I have? This isn't as simple as a dog bite.
14

15 I Went to the San Mateo court. I filed my motion to continue the
16 trial with my evidence that I was in no condition to try the case.
17
18 I could not possibly try the case alone without a lawyer. I had to
19 take the medications until the doctors said it's okay to
20 discontinue. I still had broken bones at the time of the trial.
21

22
23 My lawyer William Paoli destroyed evidence, stole money and did
24 the most egregious things that any lawyer could do to their client.
25 He then tells me he is going to sue me for defamation if I tell
26 anybody he stole from my trust account
27
28

1 William Paoli said he was going to step in and try the case at
2 the time of the trial even though he withdrew from the case so he
3 could take the money in the try client trust account. That is all
4 in evidence.
5

6
7 Amber does not know at what Point William Paoli began conspiring
8 with Goguen and His lawyers.
9

10
11 Paoli told Amber to report Richard Sherman to the state bar the
12 state bar then called Paoli and Paoli lied to the state bar.
13

14 When I gave my evidence and Filed my motion to continue the
15 trial based on my medical conditions as of October 2019 the judge
16 denied my motion to continue the trial. That was improper of the
17 judge. The Judge knows I can not be my own lawyer and try the case
18 with broken bones and a long list of debilitating medical
19 conditions caused by Goguen and medications in my body impeding my
20 ability to think. That is not allowed in a court of law.
21
22

23
24 This brings us to this improper use of defamation.
25 Look up defamation. You people just use these terms so loosely and
26 try to apply them illegally. I have to live on this planet too and
27 all of you have made that impossible.
28

1
2 You fail at your duty. Lawyers have a duty of care. Surgeons
3 have a duty of care. Judges have a duty of care. These lawyers and
4 Judges have abdicated their duty to myself and society. They have
5 violated the very justice system in which they serve and are bound
6 by the law. They have a duty to do no harm.
7

8
9 The lawyers and Judges have abdicated their duties as officers of
10 the court for which they took oaths to uphold the laws of the land.
11 As well as an oath to do no harm.
12

13
14 They can represent rapists however they can not victimize the
15 plaintiff.
16

17
18 Amber has asked all of them 100s of times to stop exploiting
19 Amber and to stop advertising amber and to stop dragging her
20 infant of the gang and every other trafficker on this planet.
21

22
23 I don't have a polluted mind like all of you. Everything you
24 have done is so wrong. It's not fair and inhumane. You have turned
25 my human existence into currency.
26
27
28

1 Even after all of the horrible things. The rapist has done to me I
2 then still went to two mediations that Diane Doolittle pleaded for.
3

4
5 Even after that I agreed to the mediator's proposal. Diane
6 Doolittle of Quinn Emanuel called me and told me there was nothing
7 Rivers Morell could sue Goguen for.
8

9
10 Amber is not a lawyer. You people have 1000s of years of
11 combined legal experience. This is a gang of lawyers now
12 trafficking Amber. I never agreed to lawyers and judges living off
13 of the avails of Ambers sexual exploitation and slavery for 9
14 years.
15

16
17 I submitted my motion for reconsideration which was valid. The
18 referee Read Ambler Defrauded Amber by not reviewing Amber's Motion
19 for reconsideration because the declarations of the experts were
20 not on filing paper there is no requirement for experts who type
21 their own declarations to be typed on filing paper. They submit
22 their declarations that way all the time. Surgeons are not lawyers
23 they do not have filing paper.
24
25
26
27
28

1 All of this misconduct is reprehensible. What else does anyone
2 expect from Lawyers who choose to profit from the trafficking and
3 rape perpetrated by a serial rapist.

4 The violate everyones rights for their profit.
5
6

7 Victims have rights the court is not merely for the rich and the
8 guilty and their armies of lawyers I would like to know why any
9 innocent man needs 58 lawyers to defend him in a breach of contract
10 for the contract that they wrote.
11
12

13 Yet Amber is forced to represent herself so that she can try to
14 save her life. Due to the fact that Quinn Emanuel tampers with
15 every lawyer she has retained Amber no longer trusts lawyers does
16 not want to be victimized by her won lawyers again and nobody wants
17 to deal with an unscrupulous criminal like Diane Doolittle I called
18 literally hundreds of lawyers. They all think she is unethical.
19
20

21 The Judiciary unfairly lets the lawyers withdraw from my case
22 knowing I am not a lawyer that i have paid copious amounts of money
23 to they and they have not done their jobs nor upheld their
24 fiduciary duty to Amber.
25
26
27
28

1 Every lawyer that Amber is not suing that stole or violated my
2 rights should be commended by the courts to provide free legal
3 services to the child victims of sex trafficking that I present
4 them with for the reader of their ability to practice law.
5

6
7 Victims have the right of the court. It is a branch of the
8 government the Judges do not work for the perpetrator of the
9 suffering imposed upon plaintiffs.
10

11
12 Diane Doolittle's attempt to manipulate the justice system and
13 success at it thus far her attempt to diagnosis severe medical
14 maladies is despicable ,psychotic outrageous egregious and
15 malicious. She alleges nothing is wrong with me. I am extremely
16 anemic because of the ongoing blood loss since the England rape the
17 blood loss from the arm shattering the surgeries and my body will
18 no longer absorb Iron which renders me almost no immune system. And
19 she alleges
20

21 I have no right to a trial

22 I have no right to a home

23 I no right to a bank account

24 I have no right to work

25 I have no right to safety

26 I have no right to peace
27
28

1 I have no right no to be stalked

2 I have no right not to be Murdered

3 I have no right to not to be trafficked

4 I have no right to surgery

5 I have no right to food

6 I have no right to report to law enforcement

7 I have no right to speak the truth.

8 I guess I have no right to life.

9 But all of these people have the right to exploit me and live off
10 of the avails of my sex trafficking
11
12

13
14 A hysterectomy at a young age has consequences and risks

15 Depression

16 Early dementia

17 Incontinence

18 Mood swings

19 Heart disease

20 Bowel dysfunction

21 Fistulas

22 Hot flashes

23 Bone loss

24 Anxiety

25 Insomnia

1 Pelvic prolapse

2 Vaginal dryness

3
4 Amber was in Good health besides the complex PTSD prior to
5 Goguen intentionally infecting her with High risk HPV and
6 mutilating Amber's body causing the hemorrhaging
7

8
9 Diane Doolittle is not a medical doctor of any sort and she
10 should not be practicing law she is cruel a criminal and inhumane
11 She is a female misogynist She is a horrible Juris Doctor.
12

13
14 The risks of Cervical cancer, anal cancer, vaginal cancer,
15 throat cancer related to HPV are self explanatory.
16

17
18 Diane Doolittle and Goguen believe Ambers body should be
19 treated with sub par medical treatment in a public hospital cut
20 apart and when Amber is dead just discard her body.
21

22
23 Any judge in any civilized country participated in this
24 conspiracy must step down and very practice law again.
25 The people of this country and beyond all have rights equal rights
26
27
28

1 I will deal with the Canadian Judiciary and legal mis-conduct
2 severally the International mis-conduct as well.

3 Under the laws of those countries
4

5
6 Everything Quinn Emanuel has done goes beyond mis-conduct and is
7 illegal
8

9
10 There are countries like that on this planet, America is not
11 communist this is not a dictatorship. Is that how everyone wants
12 this country to be? Zero freedoms or Civil liberties? A judge can
13 just be bribed and you lose your right of free speech you lose the
14 right to speak and give evidence in a court of law you lose the
15 right of self protection and the right to seek help of law
16 enforcement. A person no longer has a right to trial by jury?
17
18

19 That is not what the Constitution States.
20

21
22 There is no statute of limitations on fraud upon the court. It
23 is at the discretion of the judge when the evidence was presented
24 Hon. Danny Chao was bribed and tampered with by Goguen and Quinn
25 Emanuel.
26
27
28

1 Danny Chao then granted their motion to seal all of the evidence of
2 my abuse and presiding Judge Hon Elizabeth Lee signed an illegal
3 restraining order that prevents me from providing evidence in a
4 court of law in any of these cases. For the last 9 years of this
5 litigation Amber has yet to testify in a criminal court or civil
6 court in any country. No evidence has been presented to Judge or
7 Jury.
8

9
10 That is a violation of the US constitution and all of my rights
11 and a crime against society. There are courts and law enforcement
12 Jails and sex offenders lists to protect society.
13

14
15 The public has the right to know who the criminals are who walk
16 amongst us.
17

18
19 There are no special rules for these criminals nor is there a
20 secret court. All people have a right to trial by jury.
21

22
23 Yet again Diane Doolittle violated Ambers rights and perverted
24 the course of justice by sending me pleadings that the hearing was
25 at 1 pm March 1, 2023 yet it was at 9 am March 1 2023.
26

27 None of the lawyers have ever once met and conferred with my in
28 The San Mateo case or the Orange County case where I am the

1 defendant in a \$100,000,000.00 lawsuit where Rivers Morell Is suing
2 Amber, Michael Goguen and Quinn Emanuel and Goodwin Procter for
3 forcing me to fire Rivers Morell They refuse to give me the
4 pleading and the discovery they stipulate to things and don't tell
5 me. They have hearings and do not give me the notices or the minute
6 orders. They take depositions and deny me my right of cross
7 examination. They do not give me the transcript and tell me I have
8 to pay \$2500.00 for copies of the transcripts. I don't know who has
9 the transcripts as I was denied any participation in the
10 depositions.
11
12

13
14 Amber can not download the pleadings from The Orange county
15 court website as I am not a flowerier and I no longer have any
16 money nor do I have credit cards to pay for the pleadings.
17
18

19 Somehow after paying the debt for my indentured servitude 17
20 years ago I am now in debt bondage by the judges illegal order
21 Quinn Emanuel and Goguen own my life I have to pay them 7 million
22 more dollars for being raped trafficked and contracting these
23 despicable STDS from Goguens malice. I can't take enough showers I
24 can't scrub Goguen off of me I can't even clean him of with
25 peroxide and rubbing alcohol. Goguen and all of his prostitutes
26 germs are inside of my body forever until I die.
27
28

1
2 All of these lawyers and Judges must immediately be disqualified
3 from all cases involving Amber.
4

5
6 The lawyers refuse all of Ambers requests for service of
7 motions discovery and pleadings

8 They do not meet and confer with me there have never answered the
9 phone they use hacking equipment to trace my wear about's the have
10 tried multiple time to get me alone for examinations and to bring
11 "discovery " by my myself to Quinn Emanuel offices while Michael
12 Goguen has solicited my murder he has two companied that
13 manufacture weapons of mass destruction.
14

15
16 He has now had the chief of police Bill Dial step down because
17 he fired the detectives who were responsible for investigation the
18 rapes of his minor victims in Montana and Michael Goguen bribed the
19 detectives who now work for Goguens sex enterprise. The government
20 does not work for Michael Goguen.
21

22
23
24 Bill Dial served the community for 30 years prior to that he
25 was a teacher in public schools. He is more than 70 years old give
26 him back his credentials all of the problems were created by Goguen
27 interfering in police business and bribing the detectives who were
28

1 there to investigate crimes against rape victim's and murders of
2 young women in the harem.

3
4 He paid to get Eric Grieten's in to office as Governor of
5 Missouri that man is another sex offender and had to step down from
6 office for being a pervert. Michael Goguen thought Eric would
7 appoint Michael Goguen to secretary of defense if Eric became
8 president.
9

10
11
12 Goguen Believes he is a super hero in the likes of batman, he
13 is mentally deranged.

14
15 Amber is a victim of Human trafficking so Goguen tried to
16 manipulate the narrative by paying one million dollars to a very
17 dishonorable charity called deliver fund they can not accept
18 donations to combat human trafficking from a rapist and human
19 trafficker that is not how the world works.
20

21
22 Michael Goguen then decided oh, I made Amber homeless so let me
23 clean up my image by dumping slop on homeless peoples plates for a
24 photo opportunity. Goguen is a psychopath to say the very least.
25

26
27 That is actually an insult too psychopaths.
28

1
2 Michael Goguen is in possession of an fake Sheriffs badge with
3 is a felony
4

5
6 Michael Goguen is in possession of drugs he uses to render
7 victims unconscious so he can rape them.
8

9 Michael Goguen is in possession of illegal hacking equipment.
10

11
12 Michael Goguen is in illegal possession of a sting ray on his
13 helicopter that steals thousands of peoples electronic data and
14 listens in on phone calls including those of law enforcement.
15

16
17 Michael Goguen is in possession of thousands of weapons of mass
18 destruction. Michael Goguen his lawyers and agents are in
19 possession of child pornography taken of Amber.
20

21
22 Goguen is illegally tampering with multiple government agencies
23 and paying for independent CIA missions this is all highly illegal
24 and then he has everyone he victimized or worked as his agents put
25 in jail.
26
27
28

1 Michael Goguen and Quinn Emanuel then bribed reporters to state
2 publicly that Amber is racist.
3

4 Amber has no idea why they think are lying and saying amber is
5 racist I have very mixed heritage and I am every race on this
6 planet. I do not know why Diane Doolittle insist on telling me what
7 race I am. I guess she exerts the American Idea of the one drop
8 rule changes your ethnicity. What are they alleging i am racist
9 against myself? They are diabolical.
10
11

12
13 Even if I were only one race that does not equate to me being
14 less or more of a human. I am shocked that lawyers said I can't be
15 of a certain ethnicity or I will be prejudiced and I can not have a
16 religion or I will be prejudiced in court.
17

18
19 The essence of what the lawyers purported is that the court the
20 judge and society are only for people of Purely caucasian Anglo-
21 saxon American's. This Ideology was always improper and it has no
22 place in a civilized society or anywhere on this planet.
23

24
25 Prior to this litigation I believed only Rapists, Murders and
26 people in strip clubs the customers and the traffickers were evil
27 people. Thanks to Diane Doolittle's misconduct and illegal
28

1 activity I know there a great many evil doers on earth not just
2 traffickers rapists and pedophiles and murders.

3
4 Amber has every type of friend I serve girls any women no matter
5 where they are from. i do not discriminate. So that is truly
6 defamation and malicious protection he his that after he paid the
7 NBC reporter to make a fake news story about Michael Goguen being
8 Batman and saving lives and in the news story they violated my
9 copyright by publishing photos that I am the sole copy right owner
10 of and Michael Goguen agreed to destroy all images of me upon the
11 signing of the agreement he and his lawyers and agents are in
12 possession of child pornography taken of Amber as a minor.
13
14
15

16
17 This reporter was fired from NBC for this fake news report.
18

19 Goguen and his agents refuse to destroy the child pornography and
20 continue to damage me by purchasing it illegally by bribing
21 photographers that I had no idea had the images in their possession
22 decades later.
23

24
25 Amber has asked them to stop looking at it and disseminating it
26 but to no avail they just keep violating me.
27
28

1 The Judges and Court in San Mateo forced Amber to be a whistle
2 blower now Amber is a Narc and a rat and will be killed by the
3 organized crime Syndicate they have already found me and threatened
4 me.
5

6
7 We went through brain washing about being a rat to the pigs and
8 the 5/0. That's the police. Brain washing began day one of
9 trafficking.
10

11
12 Amber is very scared they will murder me and the people I love.
13 They would likely order the people I love to keep me silent.
14

15 Ambers brothers father was found dead the first time the
16 investigators illegally came stalking and hunting for me and
17 everyone else in Canada.
18

19
20 Since then the Gang found Amber and surrounded the building I
21 was in for 9 days I have encountered them on multiple occasions
22 after not seeing them for a decade.
23

24
25 If Amber dies because of anything Michael Goguen and his
26 lawyers and agents have done they should be charged with my murder.
27 This includes death related to HPV ,Death related to them
28

1 interfering in my ability to obtain medical treatment, If I am
2 murdered by the traffickers or any of Michael Goguen's agents
3 lawyers, henchmen or otherwise inclusive of Amber being murdered by
4 the Gang because the Judge did not care what would happen if Amber
5 was forced to name an international organized crime syndicate
6 publicly.
7

8
9 Murder includes if I die by anemia , Metal toxicity
10 complications, or any vaginal, anal hemorrhaging or basically any
11 other cause of death because I have no means to pay for medical
12 treatment. As long as I live I can never obtain Medical insurance
13 as I have many preexisting conditions stemming from Michael
14 Goguen's Abuse. Doctor assisted suicide to prevent a violent murder
15 should also be considered murder. My life as been stolen from me
16 time and again.
17
18

19 This is all of their illegal activity and my blood is on Goguen
20 and the Judiciary's Sequoia's and Quinn Emanuel's hands.
21

22
23 They have dehumanized Amber yet again. If I have to suffer Or
24 with be trafficked again i will have a doctor assisted suicide in
25 Canada. I am not a suicidal depressive but if it is the only way
26 not to be trafficked or raped I will request the doctors assistance
27 in committing suicide.
28

1
2 The possession of the child pornography is not only damaging me
3 it is damaging the other girls in the photos. The original
4 trafficker not only trafficked me. He began trafficking girls and
5 women in the 1970s.
6

7
8 Two step sisters were also trafficked. I have not seen them since
9 about 1999 the third time I was sent to Asia. I never seen them
10 again when I came back perhaps they are dead I do not know. I asked
11 about them at the photo studios nobody would say anything. I Seen
12 their photos there that I had not seen before. Maybe they were also
13 murdered and feed to pigs on the pig farm in Vancouver. I knew some
14 of those girls. Not well but I knew some.
15
16

17
18 Amber did not have a passport nor a work visa when she was
19 illegally trafficked to foreign countries.
20

21 Michael Goguen and Quinn Emanuel removed the attachments from
22 emails with photos.
23

24 Michael Goguen the rapist sex trafficker and pedophile
25 controlled the email accounts and my passwords.
26
27
28

1 Goguen locked Amber out of the accounts and destroyed all of the
2 emails that incriminated him. He deleted the accounts in entirety.
3 He produced only what suited his agenda of perverting the course of
4 justice and defrauding the court and society.
5

6
7 I do not think all of the photos were of me. We shared photos
8 customers did not care what images we sold them just as long as
9 they had something to look at. I was the youngest. We shared
10 images we look similar in photos with make-up we shared fake IDs
11 that traffickers gave us.
12

13
14 We were not human beings on paper.
15 Therefore by disseminating the images they are violating the rights
16 of those who can not defend themselves. If they are alive they can
17 Sue Michael Goguen And Quinn Emanuel as well. I can not see the
18 images that Michael Goguen refused to turn over he said he needs to
19 keep them in his personal archive. I need to look at the photos to
20 see which ones are truly of Amber. I have not seen the images in
21 over a decade and a half.
22
23

24
25 Every time these perverts look at the child pornography they
26 damage me more. Goguen promised to destroy all images that he
27 manipulated Amber into giving he by saying she owed him the photos
28

1 it was part of her job to give them to Michael Goguen. These images
2 of Amber in 2014. Yet there are dozens of pervert's still looking
3 at the images and disseminating them because of Diane Doolittle's
4 indiscretion and her willingness to make Amber die. .
5

6
7 Michael Goguen and the ring leader of his lawyers Diane
8 Doolittle share the same mental illness. Their debauchery is so
9 profoundly outrageous its unfathomable. First the fraudulently
10 induced me into signing away all of my rights and extinguishing
11 them forever under the personal injury settlement agreement Goguen
12 then raped me again and breached the agreement everyday to Sunday.
13 While dialed Doolittle set up Rivers Morell and set me up as an
14 extortionist. They first silenced me through the agreement violated
15 the agreement stalked me relentlessly solicited my murder and had a
16 judge sign an illegal order to remove my right to even present
17 facts in a court of law. That is illegal and unconstitutional. All
18 victims of all crimes have rights of the criminal and civil courts
19 and due process. the courts are a branch of the government the
20 judges are elected by the people they do not work for Goguen and
21 Quinn Emanuel.
22
23
24
25
26
27
28

1 I pray that the court with answer my prayer of freedom from
2 all forms of abuse. I need immediate medical treatment which has
3 been delayed for years because of Quinn Emanuels interference in my
4 medical care.

5
6
7 Michael Goguen owes Amber 40 million dollars plus compound
8 interest plus attorneys fee's plus special damages, treble damages,
9 compensatory damages, punitive damages and every other damage the
10 Supreme court deems appropriate.

11
12
13 Rapists should be forbidden by law to force any victim into a non-
14 disclosure agreement the public has the right to know who the
15 rapists, traffickers and murderers are.

16
17
18 The San Mateo Court has ratified Goguen's criminal activity and his
19 pattern of behavior.

Michael L Goguen Is a serial sexual predator Serial rapist pedophile Stalker and SEX TRAFFICKER who exploited his wealth and power to fraudulently and forcefully entice young women and teenage girls into engaging in abusive commercial sex acts. Through his recruiters the gang and others he did this by using Sequoia Capital ,Stanford ,Google and Yahoo as references to make Amber feel safe being in his care, Michael L Goguen persuaded financially vulnerable, Amber under the control Of international organized Crime Syndicate that she would be safe with him and that he would help her to escape and go to university only to become the most profound abuser and more explosive than the gang.

Amber repeated told Goguen that She was not a prostitute and that she did not want to have sex and that this situation was not her fault and he just drugged and rapped her. payments. Unbeknownst to Plaintiff Goguen was violating women and girls globally. Goguen employed the term mistress to fraudulently lure Plaintiff into his Sex Trafficking Enterprise to sexually Violate Amber Against her will and Beginning forcing an unsuspecting Amber to watch him masturbate. Forcing her to watch pornography then forcing himself on her on an air mattress.

These purported "opportunities" to earn money, marketed through the Gang and Michael Lewis Goguen permanently damaged Plaintiffs' life Health, Mind and Career.

The trauma and pain he caused Amber will remain until the date of her death.

No amount of money can restore Amber to her original condition. He and his agents have zero remorse and continue to violate Amber in every malicious way possible. There is zero way to elucidate or comprehend what has happened and continues to happen, the infliction of suffering is profound and diabolical.

PRAYER FOR RELIEF

THEREFORE, Plaintiff prays for judgment against ALL Defendants and each of them as follows:

FIRST CLAIM FOR RELIEF: HUMAN TRAFFICKING • The recruitment, harboring, transportation, provision, obtaining, patronizing, or soliciting of a person for the purpose of a commercial sex act (sex trafficking),¹¹ in which a commercial sex act¹² is induced by force, fraud, or coercion,¹³ or in which the person induced to perform such act has not attained 18 years of age.

Making false or misleading statements to induce a victim to become involved in prostitution or to remain in prostitution.

Taking or keeping a victim's passport or identity papers.

Keeping a victim in debt bondage.

Using force or threats against either a victim or someone else if the purpose is to make a victim engage in prostitution. Included in this provision are various forms of coercion, such as physical violence, damage to property, and the exposure of secrets that might subject a victim to humiliation or contempt.

Providing drugs for the purpose of impairing a victim's judgment.

The Universal Declaration of Human Rights lays the theoretical groundwork for international law on human trafficking. It states that all human beings are born free and with inherent and inalienable rights¹ without distinction of sex² and that “[e]veryone has the right to life, liberty, and security of person.”³ Specifically addressing trafficking, it says that “No one shall be held in slavery or servitude; slavery and the slave trade shall be prohibited in all their forms.”⁴

While the Declaration of Human Rights has great moral weight, in itself it is not binding on governments. However, a number of international legal instruments require signatory states to combat human trafficking both within their countries and across international borders.

1 The roots of the modern day anti-trafficking campaign reach back over a hundred years to two
2 separate but related movements: the effort to eliminate slavery, often understood in terms of
3 race-based or ethnically-based slavery, and a parallel effort to combat sex trafficking and
4 prostitution. The first international instruments addressing slavery came out of the 1815
5 Congress of Vienna, which produced the Declaration Relative to the Universal Abolition of the
6 Slave Trade, addressing the transatlantic slave trade and the institution of slavery in the United
7 States and European colonies.⁵ Several twentieth century conventions address slavery and the
8 broader issue of forced labor including: the 1926 Slavery Convention, adopted at a time when
9 forced labor was seen as a function of colonialism; the 1930 Forced Labour Convention, which
10 obligated signatory states to neither use forced labor nor tolerate it within their borders; and
11 the 1957 Abolition of Forced Labour Convention, adopted after considerable study, concerned
12 principally with the political uses of compulsory labor.⁶ All three of these conventions and their
13 definitions of slavery and forced labor remain relevant to international law today.⁷
14
15 In the late nineteenth and early twentieth centuries, abolitionists who had successfully fought
16 the transatlantic slave trade in Africans turned their attention to practices based on gender,
17 often called “white slavery” to distinguish it from race-based slavery. The first international
18 legal instrument that explicitly addressed what is now known as sex trafficking was the
19 International Agreement for the Suppression of the White Slave Traffic of 1904, modified in
20 1910.⁸ This convention states that its purpose is the “effective protection against the criminal
21 traffic known as the White Slave Traffic,”⁹ and explicitly links “white slavery” to the
22 institution of prostitution. All of the signatories were European nations. Also limited to
23 trafficking for sexual exploitation, the 1933 International Convention for the Suppression of the
24
25
26

28

1 Traffic in Women of Full Age called for punishing anyone who “has procured, enticed or led
2 away even with her consent, a woman or girl of full age for immoral purposes to be carried out
3 in another country in order to gratify the passions of another person.”¹⁰

4 These various agreements and others¹¹ culminated in the groundbreaking 1949 Convention for
5 the Suppression of the Traffic in Persons and the Exploitation of the Prostitution of Others. The
6 1949 Convention set the standard for instruments addressing sex trafficking by condemning
7 trafficking and prostitution as “incompatible with the dignity and worth of the human person,
8 endanger[ing] the welfare of the individual, the family, and the community.”¹² It advocates
9 punishment for those who engage in “exploitation of the prostitution of persons,”¹³ and it calls
10 for signatory nations to take “measures for the prevention of prostitution and for the
11 rehabilitation and social adjustment of the victims.”¹⁴

12 Yet another major international legal milestone in the campaign against trafficking was the
13 1979 Convention on the Elimination of All Forms of Discrimination Against Women (CEDAW),
14 a powerful contemporary tool for addressing human rights violations.¹⁵ Adopted by the United
15 Nations in 1979 and ratified by 186 countries (but not to date the United States),¹⁶ the
16 Convention seeks to eradicate gender-based discrimination by establishing basic international
17 standards for the treatment of women. CEDAW addresses both sex and labor trafficking. It
18 identifies trafficking in women and exploitation of the prostitution of women as practices of
19 gender inequality and directs States Parties to “take all
20 appropriate measures to suppress all forms of traffic in women and exploitation of prostitution
21 of women.”¹⁷ Reinforced by the Beijing Platform for Action, adopted at the 1995 global U.N.
22 Women’s Conference, CEDAW requires States to take appropriate measures to address the root

1 causes of trafficking in women and girls for prostitution and other forms of commercial sex,
2 forced marriages, and forced labor, including taking actions to strengthen legislation to protect
3 the rights of women and girls and to punish perpetrators.¹⁸

4
5 The most recent milestone in the international legal effort against human trafficking is the
6 Protocol to Prevent, Suppress and Punish Trafficking in Persons, Especially Women and
7 Children, also known as the Trafficking or the Palermo Protocol. Unlike many of these earlier
8 treaties, the Trafficking Protocol is not a human rights instrument but part of a larger treaty on
9 organized crime.¹⁹ The Trafficking Protocol's reach is extensive. By covering compulsory or
10 forced labor and sex trafficking and by protecting men, women, and children, it tackles the
11 issues addressed in earlier disparate conventions. It advances international legal work against
12 trafficking by establishing a uniform and comprehensive definition of trafficking; creating an
13 obligation on signatory States to prevent, protect, and prosecute trafficking; and promoting
14 international partnerships to combat trafficking. Its inclusive definition of trafficking and the
15 specificity of its obligations make it the most significant international agreement addressing
16 trafficking. The Protocol has 133 State parties, including the United States.

14 Corrupt Law Firms and their connections and back scratching quid pro quo antics and
15 claims to be the most feared law firm in the world when in fact these lawyers are criminals
16 and not good lawyers simply breaking the law and perverting the course of justice on
17 belief of serial rapists this are vulgarians of the NTH degree. Because of Goguen Sequoia
18 capital and Quinn Emanuels criminal misconduct and conspiracy against Amber she is
19 forced to face this alone and represent herself as they tamper with every lawyer Amber
20 hires.

21 Amber now has to face one of the most powerful organized crime Syndicates in the
22 world, The governments, powerful political, business and legal leaders, and the retaliation
23 will be unfathomable. The crimes committed against Amber thus far are not only crimes
24 against her but against humanity as a whole. The people have the right to know the society
25 we live in and who walks feeling amongst us inclusive of the government and Judicial
26 corruption.

27 Violation of The Trafficking Victims Protection Act 18 U.S.C. §1591
28 (Plaintiffs Amber and Every Girl Counts Against All Defendants)

Plaintiffs repeat and re-allege each and every allegation as set forth in
the preceding paragraphs as if set forth in full herein.

Michal Lewis Goguen recruited and enticed Plaintiff by initiating a an abusive
commercial sexual
relationship with her. Through her traffickers The Gang, Roe, Goguen invited and
recruited
Plaintiff to be his friend in exchange for education and safety from the gang.
the Education safety of money being of

1 value to the Plaintiff. A meeting with a wealthy man like Goguen was also of
2 considerable value for a victim of human trafficking. Amber was not hunting for a Sugar
3 Daddy she was a teenage victim of Gang Crime.

4 Goguen knew this and exploited her further in every way his deviant mind could come
5 up with. He told her repeatedly he loved her(A Thing) so he was keeping her in an
6 emotion cage. Those are Goguens very worlds not Ambers. If that was the least he did to
7 Amber it would be extremely damaging.

8 Based upon the representations by Goguen these invitations
9 reasonably led Plaintiff to believe there may be freedom from the slavery exploitation and
10 sexual abuse. Plaintiff reasonably relied upon the monetary promises the contract Goguen
11 and his lawyers legal and financial advice and understood that her identity would be
12 protected under the personal injury settlement agreement (contract).

13 When Amber signed the contract that she wrote Goguen nor his agents informed Amber
14 that should Goguen breach the contract Amber would have to proceed to trial no longer as
15 Jane Doe to protect her from the gang.

16 one Of the thousands of wrong doings by Goguen Sequoia and their agents.

17 All of Goguens fraudulent and enticing offers for
18 harmless dinner turned int a now 22 year nightmare, a living hell.

19 Goguen knew that he would engage in fraudulent Drugging and raping amber and luring
20 her into Goguen Sex enterprise as his sex slave.

21 Goguen Knew her would convert Ambers naivety and innocence into rape and sexual
22 slavery.

23 Once he knowingly recruited and lured her with the idea that she could gain her freedom
24 and that he loved her and wanted her to be free from slavery and enticed Plaintiff to
25 appear at

26 His hotels which the are essential to sex trafficking operations as are bars taxis airplanes
27 automobiles buses ships and trains. For sex trafficking to thrive, it requires at least 3
28 things. First victims, often referred to s modern-day-slaves, a sex trafficking victim is
treated as property mere cattle by her traffickers. The victim retains little or no money and
remains dependent up her trafficker for the most basic necessities Shelter medication
Identification food water and clothing.

Franchisers were trained not to turn a blind eye on human trafficking yet Hotels remain a
major player in human trafficking.

The franchisers have long known how to spot and deter sex trafficking Since 2004 End
Child prostitution and trafficking ECPAT_USA)< Promoted the tourism child protection
cod of conduct (code). Well known in the hospitality industry, the code identifies six steps
hotels should take to combat sex trafficking. Additionally , the department of homeland

1 security identifies specific signs that suggest the presence of sex trafficking at hotels signs
2 of which the franchisers were well aware. By 2013, hotel industry representatives knew
3 that 8 out of 10 human trafficking arrests happen at hotels. The franchisers of the Hotels
4 where Goguen and Sequoia Capital trafficked Amber knew of the epidemic of Sex
5 trafficking, it's dependance on connection to hotels, and prevalence of the problem in
6 America and globally.

7 There is no point of the TVPRA if Judges the FBI, CIA, Law enforcement are all willing
8 to violate it if they can get money in the bank for themselves. That must be put to an end
9 immediately so victims can be freed.

10 At its most basic level , the TVPRA criminalizes sex trafficking- the use of force , fraud,
11 coercion to cause a person to engage in a commercial sex act. But congress added a civil
12 cause of action against both the perpetrator of the sex trafficking crime and “anyone who
13 knowingly benefits, financially or by receiving anything of value from participation in a
14 venture which that person knew or should have known has engaged in” such a criminal
15 violation. 18 U.S.C. * 1595(a). The franchisers are precisely the type of defendant
16 Congress had in mind when it devised this remedy.

17 Second traffickers profit from the forced labor of their victims. Traffickers force young
18 women and underage girls to engage in commercial sex acts. Stripping may not be sex but
19 however Child pornography and Stripping are commercial sex acts.

20 Traffickers control victims trough force, using violence and treats of violence and threats
21 of violence to restrain, beat, and drug them. And they control victims through fraud and
22 coercion. employing emotional and psychological manipulation, trauma, and isolation.

23 Third, Sex trafficking requires venues, a place where victims can be sold for sex to as
24 many buyers as possible. In Globally Sex trafficking ventures typically operate in bars and
25 hotels. Michael Goguen and Sequoia Capital arranged and paid for rooms for Amber to
26 be trafficked and raped in.

27 Hotels have profited fro Ambers Slavery and rape.

28 Hotels ,Airports, Airplanes, All commercial modes of transportation Law enforcement
have long been trained to spot human trafficking Goguen then engaged in commercial sex
acts with Plaintiffs

by forcibly fondling and raping Amber intentionally infecting her body with Sexually
transmitted disease, including tearing a hole in her genitals, for sexual gratification under
the

fraudulent guise of love and friendship “the burnered bond” in exchange for freedom
safety,Shelter, medical care, education and money .

Goguen intended that his fraud and force to cause these sex acts to take place.

1 Goguen, The Gang, Sequoia Capital And Goguens agents recruited Amber, knowingly
2 and intentionally conspired
3 with Goguen to facilitate the fraud and sexual abuse of Plaintiff.

4 Plaintiff initially complied with Goguens orders during the abuse as she did not feel she
5 had any choice. The abuser that you know seems better than the abuser you have yet to
6 meet.

7 Goguen was very adept at raping and grooming his victims by the time he was introduced
8 to Amber. He conspired with the gang to have Amber as his possession a mere blow up
9 doll to him. When Goguen began to
10 touch Plaintiff in an aggressive, sexual manner, Plaintiff was terrified and froze. The
11 sexual abuse commenced that day.

12 Indeed, through his fraudulent representations, Goguen had isolated
13 Plaintiff in his hotel room at the Omni Hotel in Richardson Texas, where he would come
14 to meetings with Oracle. This indicated to
15 Plaintiff and along with Goguens' statements was a very wealthy, powerful man. Plaintiff
16 felt she had no

17 other choice but to comply with this man's orders. She cried and begged to leave he let her
18 leave but the damage was done Goguen began grooming her to be his sex slave in his self
19 proclaimed harem.

20 Goguens promises, as relayed to Amber, were made in relation to the
21 payment for sex services, which affects interstate commerce. Amber told Goguen from the
22 first hour they met that she was not a prostitute. He said he just wanted to take her for
23 dinner and that she was safe with him. He demeaned and degraded her told her she was
24 not good enough to be seen with in public. The abuse began from the first time she went
25 to see him for dinner. A dinner that never took place as he lured her to the Omni hotel in
26 Richardson Texas. Paid for by Sequoia Capital.

27 Goguens

28 Sex enterprise money for commercial sex acts has a substantial effect on
interstate commerce.

Goguens use of his position as a powerful, wealthy man to otherwise
engage in raping Amber was for the purpose of his own sexual
gratification.

Michael Lewis Goguen the demonic psychopathic serial rapist, pedophile and Sex
trafficker began by becoming more sexually aggressive, made sexual advances, and
masturbated. Goguen forcefully and without warning, grabbed Ambers breasts
and vagina and then masturbated to completion on her face and hair on an air mattress.
After Goguen ejaculated, he told Amber that she was to refer to him as a king or an
emperor throughout time. Goguen called himself an emperor. In the beginning Goguen
gave Amber zero money for the Sexual Abuse. He promised for over a year That he

1 would soon help her escape from the Gang and go to university. After drugging and
2 Raping Amber none of which she can remember in the summer on 2003 he put an
3 envelope with \$7000.00 in her hand bag. Amber told Goguen he could not pay her for sex.
4 He just did whatever he wanted. Clearly he knew Amber could not escape nor could he
5 pay for medical school with \$7000.00 this was only a furtherance of his grooming of
6 amber to be his sex slave.

7 Amber was planning to run away with the money and escape the gang by joining a
8 Convent or Joining the US army. That was all she could think of to gain her freedom from
9 the gang. Before she could run Traffickers beat her and she ended up in the hospital with a
10 head injury.

11 Goguen was aware of all of this.
12 He fully took advantage of this and sodomized amber shortly there after.

13 Approximately 2 months later Goguen Drugged and Raped Amber in the Sheraton Hotel
14 in Toronto where he transported her for the purposed of rape. Sequoia capital paid for the
15 Hotel and travel.

16 To the best of plaintiffs recollection this is the first time Goguen Anally raped amber after
17 drugging her glass of champagne which Goguen ordered poured and handed to her. the
18 sexual abuse only intensified form that date onward.

19 On information and belief, Goguen routinely paid traffickers for use Of Amber. He had a
20 long had standing relationship with them before Amber was trafficked by the Gang to
21 Texas. This is Goguens modus operandi.

22 Goguen was by no means the Most powerful famous or most wealthy man in these
23 destinations of sex trafficking that Amber was introduced to. Amber did not know or
24 consider Goguen to be famous she believed him to be a computer geek with nothing of
25 interest to say. He was a pervert. Amber did not recognize Goguen and had no knowledge
26 of what a venture capitalist was. She did not care she wanted to save her life and go to
27 medical school. The Gang forced Amber to bare her naked body for in rooms of thousands
28 of people any way they could abuse and humiliate her into compliance they did. Inclusive
of making a young teenage girl stand on a public stage with menstrual blood flowing out
of her body. Inclusive of forcing her to drink a bottle of hot urine as punishment. Inclusive
of beating her, starving her, locking her in the basement of the club with no lights and no
lavatories and no water.

As a result of Defendants Goguen, Sequoia Capital, Two bear Capital Two bear Ranch
Two bear Air And all of their agents including the judges and lawyers and “private
investigators” heinous and willful conduct, THERE ARE ZERO LEGAL BASIS FOR
ANY CROSS COMPLAINTS IN THIS CASE YOU ARE ALL GUILTY.

1 Plaintiff is entitled to compensatory damages, punitive damages, Exemplary damages,
2 Special damages treble damages attorney's fees, immediate housing Security protection
3 officers.
4 costs, and all other appropriate relief.

5 **PRAYER FOR RELIEF ON CLAIMS**

6 WHEREFORE, Plaintiffs pray that this Court:

7 A. Award Plaintiffs Amber Doe and Every Girl Counts all of their damages under The
8 Trafficking Victims

9 Protection Act 18 U.S.C. § 1595, the civil remedy for violation of The Trafficking
10 Victims Protection Act 18 U.S.C. § 1591, and common law, including
11 compensatory damages and punitive damages in an amount of \$1,000,000,000.00 or
12 in an amount to be determined at trial.

13 Amber is to be awarded 1 trillion dollars before her death so she can end human
14 trafficking globally because nobody is doing anything and every hum has the right to
15 freedom and peace.

16 If Amber Dies soon she will appoint a large board to facilitate her wishes.

17 B. Award Plaintiffs all attorney's fees, costs and expenses available under
18 law.'

19 C. Award Plaintiffs all pre-judgment interest and post judgment interest
20 available under law; and

21 D. Award Plaintiffs such additional and further relief as this Court may
22 deem just and proper.

23 Plaintiff is requesting ex-parte relief as they will suffer great and irreparable injury if the
24 Court does not act immediately in that Plaintiff will be murdered, die without surgery or be trafficked
25 again or die of homelessness in Los Angeles City due to the malicious conspiracy perpetrated against
26 her for the last 9 years.

27 **II.**

28 **LEGAL ARGUMENT**

**A. PLAINTIFFS WILL SUFFER GREAT AND IRREPARABLE INJURY IF
THIS COURT DOES NOT GRANT THEIR EX-PARTE APPLICATION**

Plaintiff cannot wait for the time required for a regular noticed motion. If this Court does not act immediately in granting ex-parte relief, Plaintiff will suffer great and irreparable injury in that _She will die from lack of medical treatment, be murdered or be trafficked while be homeless in the streets of Los Angeles she was not even without shelter when she was trafficked as a teenager.

Plaintiffs request relief under Rule 65 of the *Federal Rules of Civil Procedure* which states in pertinent part that,

“Rule 65. Injunctions and Restraining Orders

(a) Preliminary Injunction.

(1) Notice. The court may issue a preliminary injunction only on notice to the adverse party.

(2) Consolidating the Hearing with the Trial on the Merits. Before or after beginning the hearing on a motion for a preliminary injunction, the court may advance the trial on the merits and consolidate it with the hearing. Even when consolidation is not ordered, evidence that is received on the motion and that would be admissible at trial becomes part of the trial record and need not be repeated at trial. But the court must preserve any party's right to a jury trial.

(b) Permanent Life Long Restraining Order for protection.

(1) Issuing Without Notice. The court may issue a Permanent Life Long restraining order without written or oral notice to the adverse party or its attorney only if:

(A) specific facts in the Statement of facts show that immediate and irreparable injury, loss, or damage will result to the movant before the adverse party can be heard in opposition; and

(B)Plaintiff has no legal counsel Due to the Fraud coercion and malicious conspiracy of the Lawyers judges and Special masters in the San Mateo case and Orange County cases for breach of contract for rape, human trafficking and intentional infection of HPV (2) Contents; Expiration. Every restraining order issued without notice must state the date and hour it was issued; describe the injury and state why it is irreparable; state why the order was issued without notice; and be promptly filed in the clerk's office and entered in the record. The order expires at the time after entry—not to exceed 14 days—that the court sets, unless before that time the court, for good cause, extends it for a like period or the adverse party consents to a longer extension. The reasons for an extension must be entered in the record.”

A. The Standard for Preliminary Injunctive Relief

Plaintiffs have met their burden in that they have shown:

- They are likely to succeed on the merits.
- That they are likely to suffer irreparable harm in the absence of preliminary relief,
- That the balance of equities tips in their favor, and
- That an injunction is in the public interest.

The United States Supreme Court has stated that a plaintiff seeking a preliminary injunction must establish:

- [1] that he is likely to succeed on the merits,
- [2] that he is likely to suffer irreparable harm in the absence of preliminary relief,
- [3] that the balance of equities tips in his favor, and
- [4] that an injunction is in the public interest.

See *Winter v. NRDC, Inc.*, 555 U.S. 7, 20 (2008).

1 It is well established that, to determine whether an injunction is “just and proper,” courts
2 apply the “familiar set of four equitable factors: the movant's likelihood of success on the merits; the
3 possibility of irreparable injury to the moving party; the extent to which the balance of hardships
4 favors each party; and whether the public interest will be advanced by granting the preliminary
5 relief.” *Small ex rel. NLRB v. Operative Plasterers’ & Cement Masons’ International Assoc.*, 611 F.3d
6 483, 489-90 (9th Cir. 2010).
7

8 The purpose of a preliminary injunction is to preserve the status quo until a court can decide
9 the merits.
10

11 A preliminary injunction is an extraordinary remedy meant simply to preserve the status quo
12 until a court can decide the merits. See *U.S. Philips Corp. v. KVC Bank N.V.*, 590 F.3d 1091, 1094
13 (9th Cir. 2010).
14

15 The standard for granting a preliminary injunction requires balancing Plaintiffs' likelihood of
16 success on the merits against the relative hardships to the parties. *Benda v. Grand Lodge Int’l Assoc.*
17 *Machines*, 584 F.2d 308,315 (9th Cir. 1978). This balancing is a continuum, wherein the required
18 showing of irreparable harm varies inversely with the probability of success. *LGS Architects, Inc. v.*
19 *Concordia Homes*, 434 F.3d 1150, 1155 (9th Cir. 2006); *Save Our Sonoran, Inc. v. Flowers*, 408 F.3d
20 1113, 1120 (9th Cir. 2005). Here the balance of hardships tips sharply in support of Plaintiff in that
21

22 **STATE HERE THE REASONS WHY THE BALANCE OF HARDSHIP TIPS IN YOUR**
23 **FAVOR.** In contrast, Defendants will suffer no serious hardship.
24

25 Because the balance of hardships tips heavily in Plaintiffs' favor, Plaintiffs need only establish
26 a serious question going to the merits upon which Plaintiffs have a better than fair chance of
27 prevailing. *Miller v. California Pacific Medical Center, Inc.*, 19 F.3d 449,456 (9th Cir. 1994);
28

1 see also *Sun Microsystems, Inc. v. Microsoft Corp.*, 188 F.3d 1115, 1119 (9th Cir. 1999) ("the
2 greater the relative hardship on the moving party, the less probability of success must be
3 shown").
4

5 **B. The court has the authority to dispense with the filing of a bond.**

6 Plaintiffs request that the court dispense with the filing of a bond on the grounds that there is
7 no realistic likelihood of harm to the defendants from enjoining their conduct.
8

9 District courts have broad discretion in determining the amount of a bond. See *Connecticut*
10 *Gen. Life Ins. Co. v. New Images of Beverly Hills*, 321 F.3d 878,882 (9th Cir.2003).

11 "The district court may dispense with the filing of a bond when it concludes there is no
12 realistic likelihood of harm to the defendant from enjoining his or her conduct." *Jorgensen v.*
13 *Cassidy*, 320 F.3d 906, 919 (9th Cir.2003).
14

15 **III.**

16 **CONCLUSION**

17 For all the foregoing reasons, as well as those set forth in the papers and supporting
18 documents submitted herewith and in Plaintiffs' complaint, Plaintiffs pray this Court grant the
19 requested Permanent Life Long restraining order of protection and order to show cause and set the
20 matter for a hearing for a preliminary injunction pending trial.
